The Secretary to the Mayor was introduced, when he presented the following message, in writing, from the Mayor:

OFFICE OF THE MAYOR.

Philadelphia, December 29, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—On Wednesday evening, December 21, the members of the Philadelphia Police and Fire Bureaus were called upon to assist in extinguishing a fire which broke out in the premises Nos. 1114-16-18 N. Bodine street, occupied by Mr. D. Friedlander for manufacturing purposes. The fire was a serious one, and proved to be the cause of the most serious calamity that has ever befallen the Philadelphia Fire Department. The walls and floors of the building collapsed and crashed to the earth, carrying with them many of the police and firemen who were in the building at that time. This collapse resulted in the death of Robert Stewart, Charles W. Edelman, Gustav Wittig, Thomas Entwistle, William S. McConnell, John F. Calberer, William Bihlmire, Samuel Park, John Collins, John F. Carroll, George M. Matchinskey, Thomas Pass, Harry Bertolet, all members of the Fire Department, and Maurice Gellis, of the Police Department. In addition to the above deaths twenty-six firemen and seven patrolmen were injured, of which number many are still in the Hospital or under the care of physicians.

The disaster was the worst that has ever fallen upon a City Department, and the citizens of Philadelphia have

been quick and generous in their response to the call for aid for the suffering and bereaved families of those who were called upon to sacrifice their lives in the performance of duty. Inasmuch as our citizens have shown by their deep feeling and widespread manifestation of sympathy their sorrow and grief, I believe it is the duty of the City of Philadelphia to publicly and officially proclaim her sorrow and her grief, not only as a tribute to the heroic devotion to duty which these men displayed, but as a public appreciation of the dauntless courage and spirit with which every member of the Police and Fire Departments responds to the call of duty at all times. Accordingly, plans are being perfected for a memorial service to be held at the Metropolitan Opera House on Sunday afternoon, January 8, 1911, at which time it is the intention to conduct exercises significant of Philadelphia's appreciation and Philadelphia's present grief.

Your Honorable Bodies are asked to join in making this service a proper and fitting testimonial, and to that end I request your Honorable Bodies to appoint a Committee to co-operate with and aid the City officials. I may add, for your information, that the public response to the call for aid, issued by the Citizens' Permanent Relief Committee, has resulted in the collection, to date, of \$40,201.93, and the Committee is desirous and aims to obtain the sum of \$85,000, which is to be used for the creation of a trust fund for the payment of monthly benefits toward the support of the widows and orphans of those who lost their lives in this fire. Each widow and dependent parent is to receive about \$20 a month, and each child is to receive \$6 per month until he or she reaches the age of sixteen, the widow's benefit to cease upon death or re-marriage. It has been calculated that in order to pay these benefits the sum of \$85,000 will be required. The Citizens' Permanent Relief Committee has thus assumed a great burden that would otherwise fall upon the Firemen's Pension Fund, which fund is already seriously depleted and carrying as heavy a burden as it is able to bear, and it is the hope of the Committee that the success which has thus far attended its efforts may continue until the entire amount is realized. After

the claims of the beneficiaries upon this trust fund have ceased the remainder or residue is to be turned over to the Firemen's Pension Fund to strengthen it and sustain it in bearing its burden. Thus, not only has the Citizens' Permanent Relief Committee by its action created a means of alleviating the sufferings and trials of those left dependent by this disaster, but it has also provided future protection for the families who may suffer in the future through the self-same causes and the self-sacrifices exhibited during the last week.

It is recognized by everyone that Philadelphia's Fire Department not only possesses a high reputation for efficiency, due to the energy and skill of its present Chief, James Baxter, but that every man, from the Chief down to the lowest subordinate, is, in every sense of the word—a hero. They have not only proved it in this instance, nor is their courage displayed only occasionally, but it is manifested daily, year after year, and in the future will continue to be manifested in like manner by those who are employed in the Department to-day and all who may succeed them. There is but one word that guides them; there is but one word to which they respond; and it is engraven deep upon the hearts and minds of every member of the Department, and that word is “duty.” Whatever they may be called upon to do in the line of duty is unthinkingly and unhesitatingly performed, without consideration for themselves or the danger in which they may be placed. I know that your Honorable Bodies and all citizens alike are deeply appreciative of their work and their devotion to duty, which stamps them not only as men of heroic quality but of character, and that no tribute we can pay would be too much as demonstrative of this feeling and our grief.

It is not a calamity that has been heralded world-wide, nor has it been one of great magnitude, but it has occurred in a City Department, and it has brought death and suffering to employees of the City who were rendering a duty to citizens. Above everything else, the dominant note, with the exception of the great sorrow and grief we feel for those who are left stricken and overwhelmed by

the sad fate that has fallen upon their kinsmen, is the simple, common, unspoken, but well recognized fact that these men were doing their duty.

Respectfully yours,

JOHN E. REYBURN,

Mayor.

Which was read, and referred to the Joint Special Committee on Memorial Service.

Also, presented a further message, in writing, from the Mayor, as follows:

OFFICE OF THE MAYOR.

Philadelphia, December 29, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith for your consideration a letter from Mr. Rodman Wanamaker, in which he makes the generous offer to contribute the sum of \$50,000 towards the creation of a relief fund for the support of widows, orphans or dependent parents of all City employees who may be killed or permanently incapacitated through injuries received in the discharge of their duties. This offer is an unusual and generous display of public spirit and benevolence, and I urge the favorable consideration of Mr. Wanamaker's offer.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

Philadelphia, December 29, 1910.

JOHN E. REYBURN, ESQ.,

Mayor of Philadelphia.

DEAR SIR:—The appalling loss of life in the recent disaster on Bodine street, and the consequent hardship and suffering that must fall upon the families of the

heroes who gave their lives, makes it imperative that, in honor to the brave men who constantly sacrifice themselves in devotion to duty, the City of Philadelphia should establish a permanent fund for the support of the widows and orphans, or dependent parents, of all City employees who may be killed or incapacitated from injury received in the discharge of their duties.

I will consider it a great privilege to contribute \$50,000, in sums of \$2,000 yearly for the period of twenty-five years, provided the City will establish a permanent fund, the income of which, in addition to the \$2,000 annually that I propose to provide, will furnish pensions for the support of all those bereaved or incapacitated, in accordance with such plans as the City may sanction.

I believe this fund should be started immediately, and the faithful employees thus shown that provision had been made for their families should misfortune overtake them in their line of work, and that the City, or its citizens, are not unmindful of unselfish devotion to duty on the part of all conscientious City employees engaged in hazardous employment.

Yours truly,

RODMAN WANAMAKER.

Which was read, and referred to the Joint Special Committee on Memorial Service.

Mr. McCurdy, President of Common Council, presented a bill entitled "An Ordinance accepting the gift of Mr. Rodman Wanamaker of fifty thousand (\$50,000) dollars toward the establishment of a fund for the relief of patrolmen, firemen and other City employees who may be injured or killed in the discharge of their duties; making an appropriation for the establishment of such fund, and providing certain regulations for the government thereof."

Which was referred to the Joint Special Committee on Memorial Service.

Two-thirds of the members elected having voted in the affirmative,

It was agreed to,

And the bill passed.

Mr. Hardart presented the following:

My reasons for voting "No" are that a Convention Hall placed within walking distance from City Hall will have the advantage of being a business proposition where a large number of people to whom it should be accessible at all times could patronize various shows and expositions, which are quite a feature in our commercial life, and for which we have at present no adequate halls of sufficient space, such, for instance, as automobile shows, electrical shows, pure food shows, and numerous others.

The Hall should also be placed in a location where permanent stores could be added if desirable, the return of which would go far towards paying interest on the investment. The Hall should also be placed in a location where on account of such location the values of real estate would increase and the taxes derived from such increase would be a feature in preventing a loss to the City.

The site of Snyder's Woods not having any of these advantages would, to my mind, be a selection which would be regretted in the future, and the money appropriated for its construction and maintenance would, to my mind, be almost a total loss.

FRANK HARDART.

Mr. McAllister moved to proceed to second reading of Common Council bill (Appendix No. 172) entitled "An Ordinance to authorize certain transfers in the annual appropriations to the Departments of Public Works and Public Safety, for the year 1911."

Ward, Warner, Weaver, Weglein, Whitaker, White, Williams, Zane, Zweig, and McCurdy, *Pres't*—73.

NAYS—None.

A majority of the members elected having voted in the affirmative,

It was agreed to,
And the bill passed.

Select Council informed Common Council that they had concurred in Common Council bill (Appendix No.

230) entitled "An Ordinance authorizing the Philadelphia Rapid Transit Company to issue and negotiate ten million (10,000,000) dollars of five per cent. gold bonds, and in connection therewith consent to the guaranteeing of the principal and interest of said bonds by the Union Traction Company of Philadelphia; the increasing of the capital stock of the Market Street Elevated Passenger Railway Company; the pledging as security for said bonds all of the equity and interest in the Market Street Elevated Passenger Railway Company whether represented by stock, leasehold interest or otherwise; the assignment and transfer to the Union Traction Company of Philadelphia, as owner of all of the equities and interests in street railway properties which the Philadelphia Rapid Transit Company has heretofore acquired, and such additional equities and interests as it may hereafter acquire by the expenditure of the proceeds of the bonds authorized hereunder," with the following amendment.

Amend by striking out the following:

"AND WHEREAS, The Philadelphia Rapid Transit Company, through its President and General Manager, Charles O. Kruger, in a written communication, dated April 25, 1911, addressed to Mr. J. R. C. McAllister, Chairman of the Finance Committee of Councils, concerning the \$10,000,000 bond issue which Councils are asked to approve, has outlined the policy and purpose of the company to be, to use the proceeds of the bonds in such manner as to give the City of Philadelphia the best possible transportation facilities, and to undertake and push to completion the extensions mentioned in Thomas E. Mitten's letter to Edward T. Stotesbury, and stating further that the company accepts as fixed the present system of fares, exchanges and transfers, and that it will not make any change in the number of transfer points, or in its present exchange system and basic fare charges without the formal consent of Councils, as required by City contract."

The message was read.

The question being on concurring in Select Council's amendment,

The yeas and nays were required according to law, and were as follows:

YEAS—Messrs. Baizley, Bethke, Bonnick, Cahill, Clough, Conly, Connell, Connelly, Cox, Cooper, Cox, Cross, Daly, Davies, Davis, Deutsch, Dougherty, Finley, Finnesey, Flaherty, Fuller, Gleason, Gubbins, Hahn, Hall, Haws, Hunt, Keene, Kelley, Kennedy, Lock, McAllister, McCloskey, McElroy, McGurk, McLoon, Mackleer, Meyer, Miller, Morrison, Morton, Oram, Savage, Schulz, Smith, Trinkle, Van Houten, Wagner, E. S. Ward, J. Ward, Warner, Whitaker, White, Williams, Zane, and Zweig—56.

NAYS—Messrs. Costello, Darrow, Frankenfield, Gillingham, Hardart, Humphrys, Lombardi, MacNeill, Mackey, Myers, Pittman, Rex, Schwarz, Weaver, Weglein, and McCurdy, *Pres't*—16.

A majority of the members elected having voted in the affirmative,

It was agreed to,

So Common Council concurred in Select Council's amendment.

Mr. Rex presented the following:

I approve of the \$10,000,000 bond plans of the Philadelphia Rapid Transit Company and would like to favor the ordinance, but in as much as a very essential part of the proposition, which has already been agreed to, in writing, by the Rapid Transit Company, has not been included in the ordinance I cannot favor it, and therefore vote "No."

WALTER E. REX.

Mr. Warner presented the following:

I vote "Aye" upon the motion, because I believe the amendment being merely to the preamble, it is of very doubtful value and effectiveness; and also, because I believe the Philadelphia Rapid Transit Company should

not be furnished with an excuse for shifting the blame for failure of its plans, should such occur, to these Councils.

FREDERICK W. WARNER.

Mr. Connell moved to proceed to second reading of Common Council bill (Appendix No. 224) entitled "An Ordinance to transfer the control and custody of the whole or portions of certain squares and plots of ground from the Department of Public Safety (Bureau of City Property) to the control and custody of the Mayor (Public Playgrounds Committee), and to authorize the necessary work of transforming such squares or portions thereof and plots of ground into recreation centers and playgrounds."

Which was agreed to.

The first section was again read, and agreed to.

The second section was again read, and agreed to.

The title was agreed to.

The bill was read a third time,

And on its final passage,

The yeas and nays were required according to law, and were as follows:

YEAS—Messrs. Baizley, Bonnick, Cahill, Clough, Conly, Connell, Connelly, Cook, Cooper, Costello, Cross, Daly, Darrow, Davies, Davis, Deutsch, Dougherty, Finley, Finnesey, Flaherty, Frankenfield, Fuller, Gillingham, Gleason, Gubbins, Hahn, Hall, Hardart, Haws, Humphrys, Hunt, Keene, Kelley, Kennedy, MacNeill, McAllister, McCloskey, McElroy, McGurk, McLoon, Mackey, Mackleer, Meade, Miller, Morton, Myers, Oram, Pittman, Rex, Savage, Schulz, Schwarz, Trinkle, Van Houten, Voigt, Wagner, J. Ward, Warner, Weaver, Weglein, Whitaker, White, Williams, Zane, Zweig, and McCurdy, *Pres't*—66.

NAYS—Messrs. Bethke and Smith—2.

APPENDIX TO THE JOURNAL

OF THE

COMMON COUNCIL

APPENDIX.

APPENDIX No. 1.

OFFICE OF THE MAYOR.

Philadelphia, December 1, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith an ordinance making an appropriation of \$30,000 for the preparation of comprehensive plans and reports for the future development of the City of Philadelphia, and for the holding of exhibitions of city planning and municipal improvement.

This is a work which is attracting widespread attention throughout the entire country, and it is a work in which I believe the City of Philadelphia leads. The National Conference on City Planning will be held in this City in the Spring of 1911, and I believe that it would not only be a distinct advantage to our City and our municipal government to have an exhibition held at that time, but that it would serve as a demonstration of what Philadelphia has done and planned—a demonstration that would not only interest our visitors at that time, but one that would attract to Philadelphia the attention of the entire world, and show that our City is the leader in plans and suggested improvements for future development.

In order to create the public interest that will be necessary to carry on this work in future years and by future administrations, it is necessary that it be brought forcibly to the attention of all, and no better means can be devised than that above suggested. For that reason

I strongly urge the passage by your Honorable Bodies of the attached ordinance appropriating the money necessary to carry on this important work.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

AN ORDINANCE

To authorize the preparation of comprehensive plans and reports for the future development of the City, to make appropriations therefor, and for the holding of exhibitions of city planning and municipal improvements.

WHEREAS, It is the desire of his Honor, the Mayor, that the general plans for the improvement of the City now being prepared by his Comprehensive Plans Committees, and by the Department of Public Works, Bureau of Surveys, shall be carried forward and elaborated as speedily as possible, in order that they may be placed on public view at the city planning and municipal improvement exhibitions to be held in this City in the Spring of 1911, and on the Third Anniversary of Founders' Week in the autumn of the same year; and

WHEREAS, His Honor has extended an invitation to the National Conference on City Planning, an organization including many eminent engineers, architects and experts in city planning, to hold its Third Annual Meeting in this City in the Spring of 1911, which invitation has been accepted; and

WHEREAS, It is desirable to exhibit at this meeting a collection of plans illustrating recent thought and accomplishment in the development of street and park systems, playgrounds, transportation facilities, docks, harbors and waterways, public buildings and grounds, housing conditions and other classes of public work in American and foreign cities; and

WHEREAS, The bringing together in open conference of this body of acknowledged leaders in the work of civic expansion and improvement, and the opportunity the exhibitions will give our citizens to become familiar with the projects now contemplated in the planning of the Greater Philadelphia of the future, as well as with the plans and purposes of other cities, will result in a large benefit to us in encouraging a progressive civic spirit and attracting the larger attention of other communities; now, therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of ten thousand (10,000) dollars be, and is hereby appropriated to the Mayor for the plans and exhibitions described in the preamble hereto.

SECT. 2. That the further sum of twenty thousand (20,000) dollars be, and is hereby appropriated to the Department of Public Works, Bureau of Surveys, for the preparation of reports and comprehensive plans which will tend to the development of increased facilities for business, trade and transportation, to the greater future convenience of the people, to the further beautification of the City and its further comfort and attractiveness as a place of residence.

The Director of the Department of Public Works be, and is hereby authorized to call in consultation such engineers, architects and experts in municipal development as may be necessary to carry out the intent of this ordinance; also, to employ such engineers, draughtsmen, illustrators and assistants as may be required to make the necessary surveys, investigations, reports, plans and models.

All expenses for salaries, transportation, investigations, reports, plans, models, illustrations, and incidental expenses shall be paid out of the appropriation for the work herein authorized.

APPENDIX No. 2.

OFFICE OF THE MAYOR.

Philadelphia, December 1, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—It has been brought to my attention by the Acting Director of the Department of Wharves, Docks and Ferries, the President of the Maritime Exchange and the agents of the Hamburg-American Line, that the Delaware river, in front of and adjoining Pier D, Port Richmond, and that section of the Delaware river channel in front of and adjacent to Piers 11, 12, 13 and 14, Port Richmond, is rapidly shoaling and is not of sufficient depth at the present time to warrant the City continuing in its present course.

The agents of the Hamburg-American Line have brought this to my attention, as that line has recently established a service between Philadelphia and Hamburg, and to this service has assigned one of her largest ships. This is an important factor in the life of our City and one that concerns all loyal Philadelphians. I believe, therefore, that it is the duty of Council and of the Department to provide sufficient facilities not only for the present, but for the future accommodation of the steamships belonging to this and other companies. For that reason, it is necessary that immediate steps be taken to dredge the channel of the Delaware river in the vicinity of Port Richmond to a depth of 28 feet, mean low water.

I earnestly request that your Honorable Bodies appropriate a sum sufficient to carry on this work, and I particularly urge that the appropriation be made at once, as the river is rapidly shoaling. If Philadelphia desires to retain the present service between our City and Hamburg, immediate and decisive action should be taken. No amount of money that can be expended in dredging, I believe, will return as great a profit.

I join, therefore, with the request of the Acting Di-

rector of the Department, the President of the Maritime Exchange and the agents of the steamship company in urging your co-operation in furthering and fostering this important work that means so much for Philadelphia and her merchants.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 3.

OFFICE OF THE MAYOR.

Philadelphia, December 1, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I have been informed that the request of the Director of the Department of Public Works and the Chief of the Bureau of Water for an additional appropriation for the Bureau of Water, including the appropriation of Item 14 of \$19,000 for the payment of the wages of the laborers at the several filter stations, is still pending before your Honorable Bodies, and I am also informed that unless the appropriation is made immediately, that the laborers at the several filter stations will be compelled to wait for their wages until February. It is unnecessary for me to call your attention to the fact that this is an appropriation that should be made at once. It is a necessary work; it is an important work. The laborers must be hired, the laborers should be paid.

The time for the passing of the appropriation bill for their wages is now and not in the future. Accordingly, I urge most strongly the immediate passage of an appropriation bill for the payment of the above-mentioned employees.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 4.

OFFICE OF THE MAYOR.

Philadelphia, December 1, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith for your consideration the estimated needs of the Playgrounds Commission for the year 1911, and I earnestly request that you give this matter your favorable consideration in order that the work of the Playgrounds Commission may be carried on effectively during the year 1911.

This year will be the first actual test of the work of the Commission, and a liberal and large appropriation should be made by your Honorable Bodies, so as to facilitate their work. Its importance cannot be denied, and I know that your Honorable Bodies will co-operate with those who are interested in promoting and carrying forward this work, so as to give the greatest possible benefit to the largest number of children.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

GENTLEMEN:—The Committee on Finance, to which was referred an ordinance entitled "An Ordinance to make an appropriation to the Department of Wharves, Docks and Ferries to pay Messrs. John Maxwell's Sons for rebuilding the bulkhead on the west side of the Schuylkill river, between South and Marston streets," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Watson D. Upperman, Chas. A. Gillingham, C. E. Connell, E. Buchholz, Chas. R. Campbell, Jno. P. Connelly, H. J. Trainer, Chas. Seger, Henry W. Lambirth, Wm. E. Finley, Alfred Gratz, E. B. Gleason, Thos. J. Morton.

AN ORDINANCE

To make an appropriation to the Department of Wharves, Docks and Ferries to pay Messrs. John Maxwell's Sons for rebuilding the bulkhead on the west side of the Schuylkill river, between South and Marston streets.

WHEREAS, On the eleventh day of July, A. D. 1910, a City bulkhead, occupied by John Maxwell's Sons, on the west side of the Schuylkill river, between South and Marston streets, caved into the river; and

WHEREAS, At a public sale, at 12 o'clock noon, March 30, 1910, the lease of this bulkhead had been sold by Samuel T. Freeman & Company, Auctioneers, for a term of ten (10) years, to be computed from the first day of January, 1911, to Messrs. John Maxwell's Sons, at an annual rent of five thousand four hundred (5,400) dollars, with the proviso that the lessee be required in addition to the annual amount of rent paid, to expend an

amount not less than six thousand (6,000) dollars in improving the property, lease for same having been duly executed before said cave-in had taken place; and

WHEREAS, The said John Maxwell's Sons have reconstructed this bulkhead at a cost of nineteen thousand two hundred and twenty (19,220) dollars and eighty-eight (88) cents, with the consent and advice of the Department of Wharves, Docks and Ferries, the Mayor and the City Solicitor, and under the supervision and inspection of said Department of Wharves, Docks and Ferries; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the sum of thirteen thousand two hundred and twenty (13,220) dollars and eighty-eight (88) cents be, and the same is hereby appropriated to (new) Item in the annual appropriation to the Department of Wharves, Docks and Ferries, for the year 1911, to pay John Maxwell's Sons the amount of their expenditure for rebuilding the City bulkhead located on the west side of the Schuylkill river, between South and Marston streets, which caved into the river July 11, 1910, less the sum of six thousand (6,000) dollars the said John Maxwell's Sons were to expend under the terms of said lease, which said rebuilding was done under the supervision and inspection of the Department of Wharves, Docks and Ferries.

APPENDIX No. 30.

Philadelphia, December 15, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred an ordinance entitled "An Ordinance relating to the erection and inspection of fire escapes and other appliances of like nature; providing for the issuing of certificates thereof; fixing the fees for such inspection and certificate; authorizing the appointment of inspectors under the Fire Marshal, and making an appropriation for the payment of their salaries and maintenance," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Louis Hutt, Alfred Gratz, Thos. J. Morton, Henry W. Lambirth, Walter T. Sykes, John H. Hahn, John F. Flaherty, E. B. Gleason, Peter E. Costello, Chas. A. Gillingham, C. E. Connell, Wm. E. Finley, Watson D. Upperman, E. Buchholz.

AN ORDINANCE

Relating to the erection and inspection of fire escapes and other appliances of like nature; providing for the issuing of certificates therefor; fixing the fees for such inspection and certificate; authorizing the appointment of inspectors under the Fire Marshal, and making an appropriation for the payment of their salaries and maintenance.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Fire Marshal, under the direction of the Director of the Department of Public Safety, shall have the management, supervision and control of all matters pertaining to the enforcement of the regulations concerning fire escapes and other appliances of

like nature, together with the inspection of the same; providing that nothing herein contained shall interfere with the duty of the Bureau of Building Inspection to make rules and regulations with respect to the erection and construction of fire escapes, to enforce compliance therewith, and to see that fire escapes are properly and safely erected in accordance with law and ordinance, and with the rules, regulations and requirements of said Bureau.

SECT. 2. It shall be the duty of the Fire Marshal or his inspectors to make at least quarterly inspection of all buildings having fire escapes or such other appliances erected thereon, as well as of all buildings required by law or ordinance to be provided and equipped therewith, and to ascertain whether the provisions of the acts of Assembly and ordinances relative to the erection and maintenance of fire escapes and appliances are properly observed; to see that said fire escapes and appliances are properly maintained in such manner as to afford safe and convenient means of egress and escape; and to ascertain whether all passageways thereto, and the fire escapes themselves, are free from obstructions; and whether the fire escapes and appliances are kept in good condition and safe for use. And in cases where obstructions are found on such fire escapes, or in such passageways, or where the fire escapes or other appliances are not properly maintained, or are in need of painting, lubrication, repair, renewal or alteration, a written or printed notice shall be served upon the owner or occupant of the building upon which such fire escape or appliance is erected, directing him, her or them to forthwith make the necessary repairs, renewal or alteration, or to do the necessary work to such fire escape or appliance, or to cause the removal of such obstruction; and in cases where no fire escape or appliance is provided, when required by law or ordinance, a written or printed notice shall be served upon the owner or occupant of the building upon which such fire escape or appliance should be erected, directing him, her or them to erect and supply the same within thirty (30) days of the giving of such notice. The Fire Marshal shall issue a certificate to the owner or occu-

pant of every building inspected as aforesaid, and found to be in compliance with the laws and ordinances, or, if such notice shall have been observed and obeyed, certifying to the condition of said fire escape and other appliances, which certificate shall be good and available for one year from the date of its issue: *Provided, however,* That such certificate shall not exempt the owner or occupant of such premises from compliance with any further notice, order or direction with respect to such fire escapes or appliances which may be given him during said period of one year.

SECT. 3. The yearly fee for such inspections and certificate shall be five (5) dollars for each building which shall be inspected, which fee shall be paid annually by the owner or owners of any building upon which one or more fire escapes shall be or have been erected.

SECT. 4. When any person or persons shall be about to erect any exterior stairway, to be used as a fire escape for any building or buildings in the City of Philadelphia, he, she or they shall make application to the Bureau of Building Inspection for a permit to do the same; the said application must be accompanied by such plans and specifications as shall be required by the Bureau of Building Inspection, and shall set forth the location of the proposed fire escape. The Chief of the Bureau of Building Inspection shall refer the said application to the inspector of the district in which the proposed fire escape is to be erected, and the said inspector shall report upon the adaptability of the proposed location; also, whether the walls are sufficiently strong to carry the proposed fire escape. Upon receipt of a favorable report from the inspector, the Bureau shall issue a permit for the erection of the fire escape, the fee for which shall be one (1) dollar.

SECT. 5. No permit shall be granted for the erection of any fire escape which is not in accordance with law and with the formula of construction adopted by the Bureau of Building Inspection.

SECT. 6. Any person or persons who shall construct

any fire escape without first securing a permit, or who shall erect a fire escape not in accordance with the plans approved by the Bureau of Building Inspection, or shall change the location of the said fire escape, or who shall violate any of the provisions of any section of this ordinance, or shall fail to comply with any notice herein provided for, shall be subject to a penalty of fifty (50) dollars, and if such violation shall continue for ten (10) days after the expiration of any such notice, an additional penalty of twenty-five (25) dollars shall be added for every month or fraction thereof during which the said violation shall continue. All of the aforesaid fees and penalties shall be recovered as like fees and penalties of equal amounts are now recoverable by law.

SECT. 7. APPENDIX No. 41.

OFFICE OF THE MAYOR.

Philadelphia, December 15, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith, for consideration by your Honorable Bodies, a letter of the Director of the Department of Public Safety, asking your favorable consideration of an ordinance to create the position of fire inspector, in the Bureau of Fire, at an annual salary of four thousand five hundred (\$4,500) dollars.

You will note from the Director's letter that the purpose of this position is to facilitate the work of the Department of Public Safety and the prevention of fire and the protection of property from losses by fire. It will also serve the very laudable purpose of providing a place for the present Chief of the Philadelphia Fire Department, James C. Baxter, Jr., who has been actively engaged in the work of fighting fires for a period of forty-six years. There has been no question but that during that period Chief Baxter has always shown himself to be a highly efficient servant of the people, and that during the eighteen years he has been Chief of the Fire Bureau he has raised the standard of the Bureau considerably, so that the Philadelphia Fire Department, to-day, is recognized as one of the best departments in the world.

As a recognition, then, of Philadelphia's appreciation of a modest, unassuming, but withal, one of its most efficient and loyal servants, I strongly urge the passage of this ordinance by your Honorable Bodies. If we owe recognition to any man and it is our intention and aim

to display our appreciation of good service, well done, it is well for us to remember this man, and in remembering him we will do not only honor to him but credit to ourselves.

I urge, therefore, your immediate action, in order to do quickly that which ought to be done, and show our appreciation more strongly by our unanimous and early action.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

—

DEPARTMENT OF PUBLIC SAFETY,

Philadelphia, December 15, 1910.

HON. JOHN E. REYBURN,

Mayor of the City of Philadelphia.

DEAR SIR:—I send you herewith an ordinance, which I request you to forward to Councils, asking their favorable consideration of the same. In the event of this ordinance becoming effective, it is my purpose to name, as the Fire Inspector in question, James C. Baxter, Jr., who, from the year 1864 until the fifteenth day of March, 1871, was a member of the Philadelphia Volunteer Fire Department, becoming a member of the Fire Bureau on the said fifteenth day of March, 1871, from which time until the present he has uninterruptedly served as a member thereof, to wit: Appointed directly as Foreman, March 15, 1871, promoted to District Engineer, October 15, 1872, and promoted to Chief Engineer, October 2, 1892.

Chief Baxter has now reached a period in life when it is deemed wise for him to retire from active service, and it has occurred to me that the creation of the position of Fire Inspector, to be occupied by him during the remainder of his life, would be a fitting recognition of the

long, faithful and efficient service he has given the people of Philadelphia as a member of the Fire Bureau, and in my mind such action will meet with general public favor.

Respectfully,

HENRY CLAY,
Director.

AN ORDINANCE

To provide for the creation of the position of Fire Inspector in the Bureau of Fire.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the position of Fire Inspector, in the Bureau of Fire, be and is hereby created, the said Fire Inspector to perform such duty as shall be prescribed by the Director of the Department of Public Safety, and to receive an annual salary of four thousand five hundred (4,500) dollars: *Provided*, That the said Fire Inspector shall be at least sixty-five (65) years of age, shall have served as a member of the Fire Bureau at least thirty-nine years, consecutively, and shall have served as a Chief of the said Fire Bureau for at least eighteen years, consecutively: *And provided further*, That the said Fire Inspector, while drawing the annual salary aforesaid, shall not be a beneficiary of the Firemen's Pension Fund.

APPENDIX No. 42.

Philadelphia, December 15, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to permit John B. Stetson Company to construct an iron bridge over and across Fourth street, south of Montgomery

streets," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

AN ORDINANCE

To permit John B. Stetson Company to construct an iron bridge over and across Fourth street, south of Montgomery street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to John B. Stetson Company to construct an iron bridge over and across Fourth street at a point about one hundred and seven feet south of Montgomery street, for the purpose of connecting their factory with their warehouse. The said bridge not to exceed nine feet in width and have a clearance of at least fifty feet above the curb height, and shall be constructed under the supervision of the Department of Public Works, in accordance with plans to be approved by said Department. Before exercising any privilege under this ordinance the said John B. Stetson Company shall first enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the construction and maintenance of said bridge, and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance. The privilege hereby granted shall be revocable at any time and the bridge removed upon the passage of an ordinance to that effect.

APPENDIX No. 43.

Philadelphia, December 15, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize the necessary work of regrading, repaving of cartway, regrading and repaving sidewalks, resetting curbs, rebuilding inlets and sewer manholes, and other incidental work necessary to place Appletree street, from Eighth to Perth street, to the revised curb lines and grades,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

Jno. P. Connelly (*Ch'n*), John W. Whitaker, Thos. J. Morton, W. A. Miller, Chas. R. Campbell, George W. Zane, Jos. R. C. McAllister, Wm. H. Cross, John Bethke, Fred. Schwartz, Jr., H. A. Mackey, Chas. A. Gillingham, George D'Autrechy, Wm. J. Harrington, J. E. Lennon.

AN ORDINANCE

To authorize the necessary work of regrading, repaving of cartway, regrading and repaving sidewalks, resetting curbs, rebuilding inlets and sewer manholes and other incidental work necessary to place Appletree street, from Eighth to Perth street, to the revised curb lines and grades.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to enter into a contract for the necessary work of regrading, repaving of cartway with granite blocks, on a concrete foundation, regrading and repaving sidewalks, resetting curb, rebuilding inlets and sewer manholes, and other incidental work necessary to place Appletree street, from Eighth to Perth street, to the revised curb lines and grades. The cost of said work not

to exceed one thousand five hundred dollars, the amount to be charged against the several items covering such work in the annual appropriation made to the Department of Public Works, Bureaus of Highways and Surveys.

APPENDIX No. 48.

OFFICE OF THE CITY SOLICITOR.

Philadelphia, December 20, 1910.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I forward herewith a communication from C. D. Hilles, Assistant Secretary of the Treasury, to the Honorable Boies Penrose, United States Senator from Pennsylvania, in reference to the status of the old Mint property, and which information was secured in accordance with a resolution of your Honorable Bodies.

Very truly yours,

JAMES ALCORN,
City Solicitor.

TREASURY DEPARTMENT.

Washington, December 14, 1910.

Honorable Boies Penrose,
United States Senate.

SIR:—This Department has the honor to acknowledge the receipt of your letter of the eighth instant, transmitting a newspaper clipping in relation to the sale of the old Mint property, at Philadelphia, Pennsylvania

The contract for the sale of said property and the several modifications thereof were all made prior to the incumbency of Secretary MacVeagh. The criticism in your letter and in the newspaper clipping enclosed appears to be directed solely against the feature of the transaction that permits the purchasers to escape taxation on said property during the time they are paying the installments of the purchase price, and you say that this should not be permitted to continue indefinitely. Under the terms of the contract it cannot continue indefinitely nor for

a very much longer period. The price which the Mint Realty Company contracted to pay for the above named property was \$2,000,000. Payments have been made from time to time on the purchase price until the balance is now reduced to \$850,000. Under the terms of the contract the next installment of \$50,000 will be due on February 23, 1911, and six months from that date the balance of the purchase price, with any accruing interest, will be due and payable.

Respectfully,

C. D. HILLES,
Assistant Secretary.

UNITED STATES SENATE,

COMMITTEE ON POST OFFICES AND POST ROADS.

December 15, 1910.

HON. JAMES P. MCNICHOL,
Philadelphia, Penna.

DEAR SENATOR:—While I did not receive an official notice of a resolution purporting to have been passed by Councils and addressed to me, according to the newspapers, making inquiry regarding the status of the old Mint property, I went ahead and forwarded a communication to the Secretary of the Treasury regarding the situation. I enclose a letter from the Assistant Secretary of the Treasury explaining the status of the matter, and indicating that within a short time the Government will, in all probability, have passed from the legal title, and the property will then be available for local taxation, being in private ownership.

I have not as yet received a copy of the resolution and do not know to whom this communication should be addressed; therefore I refer it to you for the information of the proper persons.

Yours truly,

BOIES PENROSE.

APPENDIX No. 49.

APPENDIX No. 59.

Philadelphia, January 5, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Police and Fire, to which was referred a bill entitled "An Ordinance to regulate the having, using, storing and keeping of gasoline by public and private garages in quantities over five gallons," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Thomas J. Morton (*Ch'n*), Frank Hardart, Thomas S. T. Mackleer, Frederick Schulz, Richard Weglein, Richard L. Cooper, Ferd. G. Zweig, Edw. Haws, J. Frank Meade, John F. Flaherty, Dwight B. Fuller, Wm. Boal, A. De Prefontaine, Wm. E. Bonnick, Wm. H. Quigley.

AN ORDINANCE

To regulate the having, using, storing and keeping of gasoline by public and private garages in quantities over five gallons.

The Select and Common Councils of the City of Philadelphia do ordain:

SECTION 1. Definitions:

- (a) An automobile is any self-propelling vehicle.
- (b) A public garage is a building where automobiles are kept and stored by the public; where automobiles are rented out to and hired by the public; where a charge is made for the use of or for the storage and keeping of automobiles.
- (c) A private garage is a building where one or more automobiles are kept and stored for private use only, and not rented or hired out to the public, or any charges made for storage.
- (d) Gasoline shall mean and include any product of

petroleum which gives off inflammable vapors at any temperature below one hundred and ten (110) degrees Fahrenheit.

(e) Approved, means approved by the Fire Marshal.

SECT. 2. That on or after the first day of April, 1911, it shall be unlawful for any person or persons, corporation, firm or co-partnership, to keep, store or handle gasoline in any public or private garage in quantities in excess of five gallons, except in tanks of automobiles, to be carried in approved safety containers, except under the compliance of said person or persons, corporation, firm or co-partnership, with the conditions hereinafter mentioned.

SECT. 3. Quantity: The capacity of any tank shall not exceed five hundred and sixty (560) gallons, nor shall more than four tanks be permitted in connection with any one public or private garage.

SECT. 4. Gasoline tanks:

(a) All tanks shall be installed outside of building, underground, not less than two (2) feet below surface, entirely surrounded by earth well tamped in place and furnished with a footing or foundation of concrete, brick or stone, to be at least six (6) inches thick.

(b) If impracticable to locate storage tanks outside of building, they may be buried three (3) feet below level of the basement or cellar floor, imbedded in the earth, and covered by at least three (3) feet of earth, and to be furnished with footing or foundation of concrete, brick or stone, at least six (6) inches thick.

(c) All tanks of five hundred and sixty (560) gallons or under shall be made of at least twelve (12) gauge galvanized steel or at least one-quarter ($\frac{1}{4}$) inch black open-hearth tank steel. All of these tanks shall be welded or riveted and in every respect substantially constructed, and galvanized or painted with not less than two (2) coats of rust-resisting material on the outside thereof. Where tanks are more than four (4) feet in diameter the thickness of metal shall be increased proportionately: *Provided, however,* That the thickness of the metal for a

tank four (4) feet in diameter need not be greater than six (6) gauge galvanized steel, or five-sixteenths (5-16) inch black open-hearth tank steel. Where steel is specified, iron or other approved metal of approved quality and thickness may be substituted.

(d) Filler pipes must be made of galvanized iron pipe, one and one-half ($1\frac{1}{2}$) inches or more in diameter, entering at the top and extending to bottom of tank; upper end of said filler tank must terminate in an approved cap or plug, securely locked. Where tanks are located under the building, filler pipe must run to the outside of the building and terminate in an approved cap or plug, same to be securely locked. Where filler pipe runs to sidewalk, it must terminate in an approved cap or plug, securely locked, and be protected by a metal filler box, the same to be flush with the sidewalk, the cover to the said filler box to be securely locked. Filler pipes in alleyways shall terminate in an approved cap or plug, securely locked, and extending above the ground level close to the building.

(e) Tanks located within ten (10) feet of any building, or within the building, shall be provided with a one (1) inch diameter or larger vent pipe, same to be connected to the top of such tank. This pipe must be carried up at least four (4) feet above the roof of said building, and terminate in a goose-neck and spark arrester.

(f) Pipe connecting the tank with discharge point in building must be of galvanized iron and must enter top of tank. Said pipe must be buried at least ten (10) inches below the surface, and any exposed portion thereof must be thoroughly and properly protected. This connection pipe must not be lower at any point than where same leaves the tank.

SECT. 5. All tanks in garages used for storage of gasoline, now located on sidewalks or above ground, shall be removed and installed in accordance with this ordinance on or before the first day of April, 1911.

SECT. 6. All gasoline must be drawn from the tanks by means of an approved apparatus.

SECT. 7. Where gasoline is drawn inside the building, lighting shall be by incandescent electric lights, with all electric switches and cut-offs permanently located at least four (4) feet above the floor. No fire or open light shall be permitted in the room where filling of reservoir of automobile is done.

SECT. 8. Handling and storing of gasoline inside of garages:

(a) No gasoline or other volatile inflammable liquids shall be kept in any garage, except in reservoirs of automobiles, or when stored or handled in self-closing safety containers, or in portable filling tanks.

(b) When self-closing safety containers are used for the storing or handling of gasoline or other volatile inflammable liquids, not more than five (5) gallons of gasoline, or other volatile inflammable liquids, shall be kept in any building, and the self-closing containers must be made of metal and must be of approved construction, and must be of a capacity not to exceed five (5) gallons.

(c) When portable wheel tanks are used for the handling of gasoline or other volatile inflammable liquids, the tanks must be of a capacity not to exceed fifty (50) gallons and must be of at least three-sixteenths (3-16) inch tank steel, or other approved metal, and must be of approved construction. The said portable tanks shall be supported on wheels not less than thirty (30) inches in diameter, the same being equipped with rubber or other approved tires, and the tank must be provided with an approved all-metal pump or other approved device. This pump to be provided with hose attachment, and hose must not exceed ten (10) feet in length. The pump must be equipped with approved ground key shut-off cock where hose is attached to pump; also, with approved ground key shut-off cock at end of hose. Pump must be equipped with a convenient lock, and the same must be locked when not in use.

SECT. 9. There shall be constantly kept and maintained convenient receptacles filled with sand, to be used in absorbing waste oils on the floor. In addition to this, sand

shall be kept in box or boxes of approved construction, provided with hand scoop, to be used for fire extinguishing purposes only.

SECT. 10. No smoking shall be allowed in any room in which volatile or inflammable liquids are kept or used.

SECT. 11. No public or private garage shall keep or store any gasoline in excess of five (5) gallons until application shall have been made to the Mayor and a license granted. No license shall be granted to any person or persons, corporation, firm or co-partnership until the Fire Marshal has examined the premises and certified to the Mayor that the requirements of this ordinance have been complied with, and that he approves such application for license. Upon such certificate being made to the Mayor, and upon payment of a fee of five (5) dollars for each tank, and likewise for the annual renewal thereof, the Mayor shall issue said license, which license shall continue in force until the first day of January next succeeding.

Provided, That if the Fire Marshal shall decide that an applicant for a license is not entitled to his license by reason of endangering the public safety, said applicant may appeal, in writing, to the Director of the Department of Public Safety, within three (3) days after having received notice of the decision of the Fire Marshal, specifying in such appeal the reason and ground therefor. The Director of the Department of Public Safety shall immediately refer such appeal to a Commission, which shall consist of the Chief of the Fire Department, the Chief of the Bureau of Building Inspection, and the Secretary of the Philadelphia Fire Underwriters' Association. Said Commission shall carefully consider said appeal and make decision thereon, and the decision shall be conclusive. The decision of any two shall be the decision of the Commission.

SECT. 12. No gasoline, benzine or naphtha, or other volatile liquid shall be used for washing automobiles or parts thereof, or for any other purpose except as fuel in gasoline motors.

SECT. 13. Any person, firm or corporation violating any of the provisions of this ordinance shall be subject to a fine of one hundred (100) dollars for each offense; said fine to be collected as like penalties are now collected, and his, their or its license shall be forthwith revoked by the Mayor, and no license shall be issued to any person, firm or corporation so offending, directly, or on his, their or its behalf, until all fines and penalties have been paid.

RESOLUTION

To appoint a Joint Special Committee on State Legislation affecting the City of Philadelphia; and suspending Joint Rule No. 30 of Select and Common Councils.

WHEREAS, Under certain constitutional amendments recently approved by the people, conditions affecting the scope and power of Councils have been radically changed, so that uncertainty and confusion are liable to result in the passage of appropriation bills and other ordinances; and

WHEREAS, Special Commissions, acting under authority imposed upon them by the last General Assembly, have made investigations during the past two years and are about to report upon many important questions affecting cities of the first class; therefore, be it

Resolved, By the Select and Common Councils of the City of Philadelphia, That a Joint Special Committee of five (5) members from each Chamber be, and the same is hereby appointed to make a study of all legislation affecting the City of Philadelphia, so that it may, when necessary, represent officially these Councils before any legislative committee, and report from time to time upon such matters as it may deem necessary; that any expenses incident thereto be charged to Item 7 in the an-

nual appropriation to the Clerks of Councils, for the year 1911, and that Joint Rule No. 30 of Select and Common Councils be, and the same is hereby suspended so that the Clerks of Councils may present this resolution to the Mayor for his approval or disapproval.

Of request to the Mayor to return Common Council bill (Appendix No. 164) entitled "An Ordinance to authorize the opening of certain portions of Aramingo and Erie avenues, Cedar, Memphis and Tulip streets."

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Mayor be requested to return to Common Council, Common Council bill (Appendix No. 164) entitled "An Ordinance to authorize the opening of certain portions of Aramingo and Erie avenues, Cedar, Memphis and Tulip streets."

APPENDIX No. 63.

OFFICE OF THE MAYOR.

Philadelphia, January 5, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith, for consideration by your Honorable Bodies, an ordinance authorizing the Mayor to employ an expert in patent law, to be associated as Assistant Counsel with the City Solicitor, as provided for by the act of June 1, 1885, for the purpose of representing the City of Philadelphia in the matter of Jewell, etc., vs. Philadelphia et al., U. S. Circuit Court for the Eastern District of Pennsylvania, October Session, 1910, No. 609.

The appointment of a special assistant in this case is absolutely necessary, in view of the claims made by Mr. Ira H. Jewell, in defending which the City will be required to investigate the subject of patents on filters and other apparatus used in connection with the subject of water filtration, and a very technical and special knowledge will be required, knowledge of such a character as it would only be possible to obtain through the employment of an expert. I believe, therefore, that it will be unnecessary to urge your Honorable Bodies to pass the desired ordinance, as it is the only course for the City to pursue.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

—

AN ORDINANCE

To authorize the Mayor to employ assistant counsel to represent the City of Philadelphia in certain litigation, and to make an appropriation therefor.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain, That the Mayor of the*

City of Philadelphia be authorized to employ as assistant counsel an expert in patent law to be associated with the City Solicitor, and to be named by the City Solicitor, as provided by the act of June 1, 1885, to represent the City of Philadelphia in the matter of Jewell, etc., vs. Philadelphia et al., U. S. Circuit Court for the Eastern District of Pennsylvania, October Session, 1910, No. 609, and the sum of five hundred (500) dollars is hereby appropriated to pay for his services.

plans as he may, in his discretion, deem advisable, and for exhibitions of said plans and similar plans of other cities, including all expense incident to such exhibitions, fifteen thousand (15,000) dollars.

APPENDIX No. 68.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred a bill entitled “An Ordinance to pay the Millard Construction Company for work done on the high pressure fire main system in the mill district of the City,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'u*), Henry W. Lambirth (for report), John H. Hahn, Peter E. Costello, Thos. J. Morton, C. E. Connell, John F. Flaherty, E. B. Gleason, Watson D. Upperman, Edw. W. Patton, Thomas J. Ryan, Chas. R. Campbell, G. W. Kucker, Louis Hutt, E. Buchholz, Walt. T. Sykes.

AN ORDINANCE

To make an appropriation to pay the Millard Construction Company for work done on the high pressure fire main system in the mill district of the City.

WHEREAS, After due advertisement, the City entered into a contract with the Millard Construction Company for the furnishing of materials and the laying of the high pressure fire main system in the mill district, the said contract containing a clause authorizing supplemental contracts whenever additional money was available;

AND WHEREAS, The eight million (8,000,000) dollar loan ordinance contained an item of five hundred thousand (500,000) dollars for continuing the work on said high pressure system; but pending the negotiation of said loan the said Millard Construction Company proceeded with the said work to the amount of three hundred and thirty-four thousand four hundred and seventy-two (334,472) dollars and sixteen (16) cents, at the unit prices of said contract; making it possible to speedily put said system in working order; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of three hundred and thirty-four thousand four hundred and seventy-two (334,472) dollars and sixteen (16) cents be, and the same is hereby appropriated out of the unappropriated balance available for the year 1911, to Item 12 in the annual appropriation to the Department of Public Safety (Bureau of Fire), to pay bill of the Millard Construction Company for work done on the high pressure fire main system in the mill district of the City, at the unit prices set forth in the contract with said company. And the Director of the Department of Public Safety is authorized to draw, and the City Controller to countersign, a warrant in favor of said Millard Construction Company for said amount.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

SECT. 3. That the Director of the Department of Public Works is authorized to pay for inspection, borings and expenses incidental to the work of constructing branch sewers from the item for the construction of branch sewers.

APPENDIX No. 70.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bills to place on the City plan Alden, Garnet, Frank, Rosehill, Schiller, Russell, Wilton and Twenty-third streets, Eastwick avenue and Cross lane, respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To place on the City plan Alden, Garnet, Frank, Rosehill, Schiller, Russell, Wilton and Twenty-third streets, Eastwick avenue and Cross lane.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to place on the City plan Alden street, of the width of forty feet, from Vine to Summer street; Garnet street, of the width of forty feet, from Porter to Shunk street; Frank street, of the width of fifty feet, from Emlen to Quincey street; Rosehill street, of the width of fifty feet, from Wyoming avenue to Loudon street; Schiller and Russell streets, each of the width of forty feet, from Seventh to Marshall street; Wilton street, of the width of fifty feet, from Springfield avenue to Warrington avenue; Twenty-third street, of the width of fifty feet, from York street to Sedgley avenue; Eastwick avenue, of the width of

eighty feet, from Ninetieth street to Alburger lane; Cross lane, of the width of forty feet, from Lincoln avenue to Mermaid lane: *Provided*, That before said streets, excepting Twenty-third street, shall be placed on the City plan the owners of property within the lines thereof shall, within one year from the approval of this ordinance, dedicate the beds of the same to the City, on the lines and grades as confirmed by the Board of Surveyors, or shall indemnify the City against all damages or claims for damages which may arise from placing the said streets on the plan and their subsequent opening to the confirmed lines and grades: *Provided further*, That the provisions of the ordinance approved April 8, 1890, requiring streets to run in a straight line shall not apply to the said Eastwick avenue.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 71.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the placing of Henry street on the City plan, from School House lane northwestward,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch’n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

DEPARTMENT OF PUBLIC WORKS.

BUREAU OF SURVEYS.

Philadelphia, January 5, 1911.

MR. WM. H. FELTON,

Clerk, Surveys Committee of Councils.

DEAR SIR:—Supplementary to the attached report, approved by the Board of Surveyors on the third instant, recommending the passage of an ordinance to place Henry street upon the City plan, from School House lane to a connection with the street system northwest of the Fairmount Park line, I desire to state that this particular portion of Henry street is a necessary connecting link in a proposed through line for traffic from the center of the City to Manayunk and Roxborough, and through the entire length of the Twenty-first Ward.

This through line from the City will be formed by the streets entering Twenty-ninth street, which is the principal approach to Henry street from the south, and is open and improved in a direct line from Pennsylvania avenue to Allegheny avenue, a distance of about two and one-half miles. At Allegheny avenue connection is made with the present Henry street, which is now upon the City plan and partly opened, of the width of one hundred (100) feet; from that point to Midvale avenue, a distance of one mile; from the latter avenue to School House lane it will be continued under existing ordinances, and the extension through the Twenty-first Ward will also be accomplished chiefly under authority of existing ordinances.

This through highway has been projected with the view of establishing more direct and adequate transportation facilities between the City and the large territory included in the Twenty-first Ward, and also to open up one of the most attractive and desirable sections of the City to suburban development.

The citizens of that section of the City and their representatives in Councils have been earnestly urging the es-

tablishment of better traffic facilities with the City, in order that a greater impetus may be given to the improvement and development of the ward by making it more accessible to all classes of travel; this result, we believe, will be very largely accomplished by the proposed extension of Henry street across the Wissahickon ravine.

It will probably require several years to accomplish all the physical work necessary to complete the opening and improvement of this great through line for traffic, but the preliminary step of placing its principal link upon the City plan as proposed by this ordinance should now be made. No immediate cost or damage will be involved in placing it upon the plan, but such action will protect the line of the street from the encroachment of buildings until it can be opened. The opening will probably have to be entirely or partly done at the expense of the City by a special ordinance for that purpose; about five acres of private property would have to be taken, the present assessment of which is about \$4,000 per acre.

I believe this will be, in every sense, a beneficial and ultimately profitable public improvement, and recommend the passage of this ordinance in order that plans for it may be prepared.

Yours truly,

G. S. WEBSTER,
Chief Engineer and Surveyor.

AN ORDINANCE

To authorize the placing of Henry street on the City plan, from School House lane northwestward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to place Henry street, of the width of one hundred feet, on the City plan, from School House lane to a point of connection with the street system northwest of the northwest boundary line of Fairmount Park, between Magdalene and Oros street.

APPENDIX No. 72.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the grades of Delmar street, between Ridge avenue and Pechin street,” respectfully report that the revision needed consists in placing a vertical curve at the intersection of the existing grades. As this is a decided improvement we approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch’n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To revise the grades of Delmar street, between Ridge avenue and Pechin street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the grades of Delmar street, between Ridge avenue and Pechin street: *Provided*, That an agreement, satisfactory to the City Solicitor, be filed within one year from the passage of this ordinance, protecting the City from all damages by reason of said revision.

APPENDIX No. 73.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the grades of Conestoga street, from Media street to Lansdowne avenue,” respectfully report that the present grade of Conestoga street falls from Lansdowne avenue to Media street. There are several houses built on the east side that are above grade, and the owners will claim heavy damages when the street is graded. The south end of the street is not open and no grading can be done or curb set on the north end without leaving a depression in which the water will collect. It is proposed to revise the grade by placing a summit in the street and the new grade will conform nearly to the present grade of the yards. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To revise the grades of Conestoga street, from Media street to Lansdowne avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to revise the grades of Conestoga street, from Media street to Lansdowne avenue.

APPENDIX No. 74.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of lines and grades within the territory bounded by Erie avenue, Germantown avenue and Hunting Park avenue,” respectfully report that the object of the revision is to place on the City plan Butler street, from Logan street to Hunting Park avenue; the widening of Luzerne street; and widening of Seventeenth street, from Luzerne to Wayne street. We consider the proposed change desirable, as the plan proposed will be a saving to the City as contrasted with the present confirmed City plan. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch’n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To authorize the revision of lines and grades within the territory bounded by Erie avenue, Germantown avenue and Hunting Park avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the lines and grades within the territory bounded by Erie avenue, Germantown avenue and Hunting Park avenue.

APPENDIX No. 75.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the lines and grades within the territory bounded by Allegheny avenue, Twenty-second street, the Philadelphia, Germantown and Chestnut Hill Branch of the Connecting Railway, and Hunting Park avenue,” respectfully report the object of the revision is to improve the City plan, both in relation to lines of communication and grades; we believe the lines of Westmoreland street, between Twenty-second and Twenty-third streets; Twenty-fifth street, from Fox street to Hunting Park avenue; Stokley street, from Twenty-third street to Hunting Park avenue, should be laid down on the City plan; that by decreasing the width of Stokley street as proposed, and grade revision, will result in a saving to the City in the future opening of those streets so as to make the cost of opening no more that would accrue from the lines and grades of the present confirmed plan. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch’n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To authorize the revision of the lines and grades within the territory bounded by Allegheny avenue, Twenty-second street, the Philadelphia, Germantown and Chestnut Hill Branch of the Connecting Railway, and Hunting Park avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the lines and grades of territory bounded by Allegheny avenue, Twenty-second street, the Philadelphia, Germantown and Chestnut Hill Branch of the Connecting Railway, and Hunting Park avenue.

APPENDIX No. 76.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the lines and grades within the territory bounded by Lehigh avenue, Twenty-seventh street, Allegheny avenue and the river Schuylkill,” respectfully report that the object of the revision is to improve the street system within the said territory, and with the exception of the widening of Hunting Park avenue and the extension of Henry street, will be without cost to the City, as the widenings are practically within the land owned for a long time by the City of Philadelphia, known as the Cambria Reservoir site. While it is not probable that the streets will be opened for a long time, it seems advisable to have them plotted and confirmed on the City plan so as to avoid unnecessary damages that will be caused by the erection of buildings on ground that will be needed for highway purposes, this being especially true of Hunting Park avenue. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey,

AN ORDINANCE

To authorize the revision of the lines and grades within the territory bounded by Lehigh avenue, Twenty-seventh street, Allegheny avenue and the river Schuylkill.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the lines and grades of territory bounded by Lehigh avenue, Twenty-seventh street, Allegheny avenue and the river Schuylkill.

APPENDIX No. 77.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of a portion of City Plans Nos. 55, 56 and 57, bounded by Bridge street, Frankford creek, Leiper street, Sellers street, Wingohocking street, Tacony street and Amber street,” respectfully report that the object of the revision is to make the lines and grades of streets, including the curb lines and elevations, more nearly agree with the curb as set on several old streets, as they are at present improved and paved. The revision will entail no expense nor damage to the City. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch’n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz,

Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberg, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To revise the lines and grades of a portion of City Plans Nos. 55, 56 and 57, bounded by Bridge street, Frankford creek, Leiper street, Sellers street, Wingohocking street, Tacony street and Amber street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to revise the lines and grades of a portion of City Plans Nos. 55, 56 and 57, bounded by Bridge street, Frankford creek, Leiper street, Sellers street, Wingohocking street, Tacony street and Amber street.

APPENDIX No. 78.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of Godfrey avenue, from Whitaker avenue to Longshore street, and the lines and grades of the streets intersecting the same or affected thereby,” respectfully report that the object of the revision is to make the line of Godfrey avenue conform to the confirmed line of said avenue, between Longshore and Cottman streets. The revision will entail no expense upon the City, as Godfrey street is not open. We therefore approve the

same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To revise the lines and grades of Godfrey avenue, from Whitaker avenue to Longshore street; and the lines and grades of the streets intersecting the same or affected thereby.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to revise the lines and grades of Godfrey avenue, from Whitaker avenue to Longshore street, and the lines and grades of streets intersecting same or affected thereby.

APPENDIX No. 79.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to authorize the revision of the lines and grades of territory bounded by Erie avenue, Fifth street, Wingohocking street and "B" street," respectfully report that the object of this revision is to place Second street on the City plan of its present width, and practically at its present grade, between Butler and Bristol streets; also, to make

some revision in streets passing through the Municipal Hospital grounds, between Luzerne street and Hunting Park avenue, making the grades of the same conform more nearly to the natural topography of the ground, thereby decreasing the cost of grading the same. We cannot see that this revision will entail any damages upon the City. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To authorize the revision of the lines and grades of territory bounded by Erie avenue, Fifth street, Wingohocking street and "B" street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the lines and grades of territory bounded by Erie avenue, Fifth street, Wingohocking street and "B" street.

AN ORDINANCE

To revise the lines and grades of Frankford avenue, between Comly and Cottman streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the lines and grades of Frankford avenue, between Comly and Cottman streets, so as to make the said avenue one hundred feet wide, and to make such revisions of the lines and grades of adjacent streets as may be affected thereby.

APPENDIX No. 82.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to authorize the revision of the lines and grades, and the establishment of new streets upon City Plans Nos. 295 and 298, in the Twenty-first Ward," respectfully report that the territories referred to must be revised so as to conform with other street systems which have been established, and

which will bring Roxborough in more direct communication with the central portion of Philadelphia. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

To authorize the revision of the lines and grades, and the establishment of new streets upon City Plans Nos. 295 and 298, in the Twenty-first Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to revise the lines and grades, and establish new streets upon City Plan No. 295, bounded by Haggy's Mill road, the County line, Wissahickon avenue and Port Royal avenue; and upon that portion of City Plan No. 298 bounded by Hermit lane, Rochelle avenue, Roxborough avenue and the boundary line of Fairmount Park, in the Twenty-first Ward.

APPENDIX No. 83.

Philadelphia, January 19, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the curb lines and grades of Wissahickon avenue, from Abbottsford avenue to School House lane,” respectfully report the present confirmed lines of Wissahickon

avenue and sixty feet between the building lines and thirty feet between the curb lines. It is proposed to increase the width between the curb lines from thirty feet to thirty-six feet, the increased width being taken equally on each side of the said avenue. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), Peter E. Costello, George H. Kelley, W. W. Trinkle, Edwin S. Ward, Fred. Schwarz, Jr., W. E. Bonnick, Henry F. Kennedy, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Jno. D. Powers, Wm. Boal, Geo. W. Spielberger, Albert De Prefontaine, Frank H. Caven, Saml. K. Stinger.

AN ORDINANCE

Receipts.

The total receipts from all sources for the year ending December 31, 1910, amounted to \$39,862,493.25. Included in this is the permanent loan of \$5,000,000; amount remitted by the State for schools, \$883,766.15; personal property tax of 3 mills, \$1,560,753.40, and interest on bank deposits, \$311,212.38.

On account of the system inaugurated by this Department in 1905, I have to report the usual success in the collection of personal property tax due the State for 1910. The amount due the State was promptly remitted, and the three-fourths due the City as promptly returned by the Auditor General.

The attention of Councils is called to the decrease in the amount received in the annual appropriation made by the State to schools, amounting to \$64,321.92 less than 1909, which, upon inquiry, I am informed was due to the fact that \$72,000 was appropriated to the Philadelphia Normal School upon representation made to and approved by the Board of Education.

The appropriation was made upon conditions similar to those attached to the appropriation made to the State Normal Schools, requiring scholars to sign an agreement to teach a certain length of time after graduation. Inability to comply with the conditions has deprived the Normal School from obtaining the money, and diverted it from the City's regular annual school appropriation.

Legislation affecting State appropriations to the City should never be permitted without notification to the Controller or Councils, as it seriously affects the estimates of revenue made by the former and appropriations by the latter.

There is also a balance due from the State on claims in connection with the primary election expenses for

1907, 1908, 1909 and 1910, under the act of February 17, 1906, which were regularly forwarded by the City Commissioners and withheld on some technicality, amounting to \$35,763.57. These claims will be transmitted to the Law Department for collection.

The loan of \$5,000,000, authorized by ordinance of July 14, 1910, and negotiated by popular subscription, at par, contained the sum of \$1,329,625 for permanent improvements, and \$850,000 for mandamuses, which, being principally for land for park purposes, opening and widening of streets, etc., should be charged to capital account, making a total \$2,179,625. The balance, \$2,820,375, was appropriated by ordinance of July 29, 1910, to general maintenance.

The present system of providing funds for current expenses before the surplus can be ascertained at the end of the year by the issue of long time loans, under the act of April 20, 1874, is an extravagant one and should be discontinued. Short time loans should be substituted, issued under the provisions of the same act and within the two per cent. limit by Councils, authorized by decision of *Keller vs. Scranton*.

The act of 1874 limits the issue of loans for a period not exceeding thirty years; ample authority, therefore, exists to issue for an intermediary period, say for one year. These short time loans could probably be redeemed from surplus ascertained at the close of the year for which the loans were issued, but in order to comply with the requirements of Section 10, Article 9, of the Constitution, it will, of course, be necessary when such loans are authorized to levy a tax, which may be done in the usual form, sufficient to pay the interest and principal of the loans at maturity.

Experience has shown that a surplus almost invariably exists at the close of the year, due to the conservative esti-

mate made by the Controller, in compliance with the act of June 11, 1879, based on the average receipts for the preceding five years, and the estimate of assessed valuation returned by the Board of Revision on August 1st preceding the year for which said estimate was made, or a year and a half before the actual results of the year's income can be ascertained. It might, therefore, be advisable to reserve to the City the right of redemption of the loans at any time upon a stipulated notice, and the surplus, when ascertained, being in the Treasury, could then be utilized for that purpose.

Legislation should be inaugurated to increase the debt limit, as provided by Section 8, Article 9, of the Constitution, from seven per cent. on the total assessed valuation of taxable property, to ten per cent., and extending the time limit for issuing loans from thirty years to a period not exceeding fifty years, thereby leaving a portion of the debt for public improvements to be paid by the next generation, who are to participate in their benefits. This increased limit is absolutely essential in view of the vast improvements contemplated by the Department of Public Health and Charities for erection of Hospital for the Insane and completion of Hospital for Contagious Diseases; the Departments of Public Safety; Wharves, Docks and Ferries and Public Works, Bureau of Surveys, especially the latter, being for a sewage disposal plant, made mandatory as to erection and completion within a specified time by legislation enacted by the State.

Since the enactment of the Ordinance of April 9, 1892, regulating the deposit of City moneys, and the payment of interest thereon, the total amount received to December 31, 1910, inclusive, was \$4,419,522.04, or an average of \$232,606 annually.

The tax levy for 1910, on an assessed valuation of \$1,358,675,057, which was computed at \$19,902,675.89, at the rate of \$1.50, yielded \$19,753,090.53. Of this, after allowing the added penalties of \$74,249.74, and reductions in discounts of \$54,470.92, there remained less than one per cent. of the tax levy uncollected.

Balance Sheets.

The accompanying summary consolidated balance sheet (page 15) shows by funds and in total the assets and liabilities of the City, the excess of assets over liabilities, the appropriations and reserves and the surplus. The general account, the capital account and the fund balance sheet show in greater detail the assets, liabilities and reserves. These statements are presented in this report for the first time for the City of Philadelphia with the desire to answer the questions of interested citizens as well as to make available, information requested by many municipal accounting officials and associations interested in more adequate forms of reporting. It is also assumed that these statements may be of interest to those who have been striving to establish a more uniform system of municipal accounting.

The immediate purpose of the summary consolidated balance sheet is to present in a single picture the financial condition as well as all of the funding relations of the City. For this purpose, the balances unpaid on executory contracts are not treated as direct liabilities of the City but as contingent liabilities encumbering appropriations. That is to say, while the City is not liable for payment of amounts represented thereby until the conditions of each agreement have been met, the authorizations to officers of the City to incur liabilities under appropriations of Councils have been reduced by the full amount of contracts entered into. The only encumbrances which are not represented in these statements are open market orders, the accounting with which has heretofore been left to the several Departments.

At an early date it is contemplated to establish in this Department an accounting control over such orders as they are issued and liquidated, so as to protect the City against the overencumbrance of appropriations.

The General Account (page 17) presents in balance sheet

form the cash in the treasury belonging to the general fund and the current liabilities for which cash is held for immediate payment, *i. e.*, warrants payable out of general revenues and amounts due to special funds. The surplus of cash over these immediate demand liabilities is the net cash surplus in the treasury to the credit of the general fund. This net cash surplus is divided between that held for unexpended balances of non-merging appropriations, \$1,281,-835.93, which proves with the general fund balance sheet (page 21) and the general fund surplus, \$2,399,072.85, from which further appropriations may be made. The other assets shown in this statement are uncollected taxes (including delinquent penalties) and delinquent water rents for the year 1910. Against these revenues receivable are no contra liabilities, so the resulting surplus is added to the cash surplus, producing a total surplus in the general account of \$6,552,720.19. The uncollected taxes above referred to are taken from the general ledger controlling accounts and are supported in detail by the schedules of uncollected taxes. Special attention is called to the small amount of "delinquent taxes of prior years, \$1,516,397.35," which covers the period from 1869 to 1909 inclusive.

The Capital Account (page 19), presents a statement of the cash that may be used for permanent improvements as well as the cash and investments held by the sinking and fire insurance funds, respectively. Under the caption "permanent funds, properties and improvements," the item of cash, \$9,569,616.44, is the amount of cash in the City treasury received from the negotiation of loans. Set over against this cash are the warrants payable December 31, 1910, amounting to \$567,244.92, from appropriations made from loan moneys, leaving a surplus of cash in excess of demand liabilities of \$9,002,371.52. Of this amount,

† This amount is based on the actual assessment of the Board of Revision of Taxes for 1910, whereas the amount referred to in a previous paragraph of this report is based upon the estimate of the Board of Revision of Taxes of August 1, 1909, for 1910.

\$8,944,661.03 is represented by non-merging balances of appropriations and only \$57,710.49 is unappropriated (see loan fund account of fund balance sheet, page 21).

The item, "land, buildings, equipment and other permanent improvements, \$250,351,352.63," represents the cost of the permanent properties and improvements (except the City Gas Works and some minor properties not yet inventoried) less estimated depreciation as shown by detailed inventories. The gas works inventory is now in process of adjustment. The other inventories have been accepted for record in the new property and equipment ledger, subject to audit and adjustment.

The "Funded Debt, \$98,403,800" has been reduced by \$12,155,600, thus showing a net figure of \$86,248,200, which is the net amount of long term liabilities outstanding. As these liabilities were incurred for permanent improvements they have been set up in contra position to the amount of land, buildings, equipment and other permanent improvements, thereby showing a surplus or excess of \$164,103,152.63. In setting up the funded debt against the inventory of the City's permanent properties and improvements, it must not be assumed that these assets are available for meeting the debt, nor can this property be used in any way as a basis for increasing the City's indebtedness. By placing the cost of structures and equipment on the books and under accounting control responsibility for custodianship and proper care may be determined. An account of this kind showing the disposition of loan moneys will be of assistance in assuring investors, present and prospective, in the City's securities that money secured from the negotiation of loans is converted into permanent properties and improvements.

The Sinking Fund Account (page 19) shows the character of the sinking fund assets, consisting of City loans

†This amount represents the cost of permanent properties and improvements (except the City Gas Works and some minor properties not yet inventoried), less estimated depreciation as shown by detailed inventories. The Gas Work inventory is now in process of adjustment. The other inventories have been accepted for record in the new property and equipment ledger, subject to audit and adjustment.

and cash, and the purposes for which the sinking funds are held. Reserves have been set up as at December 31, 1910, in accordance with the tables of the Sinking Fund Commission. The free surplus is the amount carried in the sinking fund to the credit of the Sinking Fund Commissioners over and above that required by the Sinking Fund Commission's tables, to retire the funded debt at maturity. This surplus has been accumulated over a long period of years from various unused balances.

The Fund Balance Sheet (page 21) is designed to show separately for current revenues and loans the estimated receipts, the available cash balances and the restrictions placed upon them by ordinances of Councils or acts of executive officers of the City. The estimated receipts from taxes and miscellaneous sources, \$2,399,072.85, shown in italics, is the excess of the year's receipts over the estimated receipts for the year made by the City Controller in his estimate of August 1, 1909. The unapplied or net cash balance of the general fund, \$3,680,908.78, is the cash in the treasury for general fund purposes over and above the immediate demands for cash as shown in the general account. Of this sum \$1,281,835.93 is held against non-merging balances of general fund appropriations at December 31, 1910. The remainder of the net cash balance, \$2,399,072.85, is the excess of the actual receipts of the year 1910 over the City Controller's estimate of the amount available for appropriation (see General Account). The non-merging balances of general fund appropriations, \$1,281,835.93, are divided so as to show the amount of these balances reserved for meeting contracts and the amount not so encumbered.

In the loan fund statement (page 21), the unapplied or net cash balance of \$9,002,371.52, agrees with the cash surplus in the Capital Account and represents the amount

I desire to again note the steadily growing increase in payments to the City by the United Gas Improvement Company for the consumption of gas during the year ending September 30th last. A comparison of the annual receipts since the lease of the works and the gradual increase shown each year has exceeded to the present time the estimate made when the lease was entered into.

Disbursements.

The total disbursements for 1910, which includes the interest of the funded debt, Sinking Fund, the allotment to the Board of Education, and mandamuses, amounted in all to \$47,755,049, a decrease over the expenditures of 1909 of \$400,630.08.

The principal expenditures, including those payable out of loan moneys, were for school, police and fire and patrol houses and the acquiring of land for the Broad Street Boulevard, for the rapid completion of the Queen laue reservoir, and the removal of grade crossings along the lines of the Philadelphia and Reading R. R. Company, etc.

Mandamus Executions.

The payments of writs of mandamuses show a marked reduction for the year, and were paid out of the \$1,250,000 set aside by the Controller from the surplus of 1909; this was rendered necessary to replace in part the reduction made by Councils striking out the sum of \$2,000,000 estimated for the purpose in the Controller's Statement of August 1, 1909.

The above amount was increased by an appropriation of \$850,000 out of the \$5,000,000 loan, making a total of \$2,100,000, from which \$1,021,334.02 was paid on mandamuses and \$700,000 appropriated by Councils for general expenses, leaving a balance of \$378,665.98, of which \$150,000 is current funds and \$228,665.98 loan moneys, the latter not merging.

The following is an itemized list of payments made for the year:

Opening and widening streets	\$490,240 79
Changes of grade	61,668 56
Condemnation of property:	
Boulevard, from Second street to Rhawn street	58,563 03

Supplies to sundry Courts, stationery, etc.	2,146 81
Computing election returns, November 8, 1910	2,227 25
Total	<u>\$1,021,334 02</u>

A study of disbursements in the class of above mandamus executions offers substantial ground for congratulation, and likewise material for serious and suggestive thought. Payments under this classification during the year 1910 amounted to \$1,021,334.02, as compared with a payment of \$2,644,137.62 in 1909, not only showing a most gratifying decrease of $61\frac{1}{2}$ per cent., when compared with the previous year, but a decrease of $60\frac{1}{2}$ per cent. from the average payments during the three preceding years, such average payments having been \$2,597,831.85 a year. While the heavy decrease recorded must give satisfaction to all who have the best interest of the City at heart, the fact that such a heavy decrease from the expenditure of the previous year and the average of the three preceding years has been found possible encourages the belief that increased vigilance by, and a more earnest effort on the part of, the several Departments having to do with the development of that part of the City's policy which results in such mandamus proceeding, would result in a still further and more substantial reduction in this important item of disbursement. The City, in the opinion of those best fitted to estimate and draw deductions therefrom, seems on the point of important developments, which promise to draw heavily upon her financial resources, both as regards current income and borrowing capacity. Such being the case, even those who most sincerely advocate an extremely liberal policy in the matter of the opening of new highways, and the placing of such highways in condition for immediate use, will recognize the wisdom of an intelligent conservation of existing resources, through the exercise of great care in the matter of committing the City, by ordinance, to the purchase of properties not immediately required for the development of the City, or inaugurating work giving little or no promise of calling into

existence properties from which the City can derive revenue in the shape of new opportunities for taxation. The large reduction of record during the present year in the amount payable through mandamus proceedings proves convincingly that much can be accomplished in this direction by careful and co-operative work. That reduction also emphasizes the suggestion that a still closer and more harmonious working between the Departments of Surveys, Highways and Building Inspection, would result in placing City Councils in possession of so much and such reliable data regarding proposed public improvements that the City's legislators would be able to discriminate, even more closely than they were able to discriminate during the past year, in the selection of those measures having to do with the opening of new streets, or the changing of grades, to the end that only such measures as promised immediate and substantial return to the City in the production of taxable values would receive their approval.

The sum of \$54,520.22 of unclaimed matured loans and coupons, shown as a reduction in the above statement of the Funded Debt, was assumed and carried since consolidation in 1854 by the Sinking Fund Commissioners. No demand having ever been made for payment of any portion of the same, this amount of debt has been cancelled in accordance with the opinion of J. Howard Gendell, City Solicitor, that liability has expired by limitation, having been overdue for a period exceeding twenty-one years.

The borrowing capacity of the City on January 1, 1911, based on the assessed valuation of August 1, 1910, of \$1,458,851,880, less securities held by Sinking Fund Commissioners and loans authorized awaiting negotiation, is \$4,046,431.60.

Fire Insurance Fund.

The balance in the hands of the Sinking Fund Commissioners to the credit of the Fire Insurance Fund, as security against loss by fire, on property owned by the City, amounts to \$323,563.30, of which \$315,900 is invested in City Loans, and a cash balance of \$7,663.30, an increase over the year 1909 of \$58,729.34.

The only loss sustained during the year was at the Joseph Allison School, Fifteenth and Norris streets, amounting to \$5,313.45. Application having been made to include marine losses, the Commissioners recommended to Councils, on October 20, 1910, the passage of a supplement to the original ordinance of March 29, 1904, to include damages caused by loss to police, fire and City ice boats, dredging scows, and all property owned by the City classified as marine. They also recommended, on account of the large increase in school, police, fire and other buildings being annually erected, that the Insurance Fund be increased from \$250,000 to \$500,000.

The losses by the City since the establishment of the Fire Insurance Fund were as follows:

1904.....	\$1,181 00
1905.....	74,991 85

*Yield at \$1.50.

In compliance with the law, the audit of the accounts of the City Departments has been completed for the year 1910; also the audit of The Philadelphia Rapid Transit Company, in accordance with the conditions of the ordinance approved by His Honor, the Mayor, July 1, 1907, authorizing the execution of a contract between the City of Philadelphia and the Philadelphia Rapid Transit Company, in which the City Controller is directed to verify, by an examination, the statements annually filed with the City by said Company. I have to report that, assisted by the firm of Vollum, Fernley, Vollum & Rorer, Certified Public Accountants, an audit of the books, accounts and vouchers of the said Philadelphia Rapid Transit Company for the years ending June 30, 1910, was made, printed in pamphlet form and transmitted November, 1910, to Councils for their information.

Inventory of Property.

By authority vested in the Controller, a request was made in November that all Departments, Bureaus and Commissions having City property in their possession make an inventory of the cost of same with such data as was necessary to arrive at its present value. Such an inventory had never been made in the history of the City. Returns made to date show that the City's holdings of real and personal property aggregate \$250,351,352.63. But this amount does not include the inventory of the City Gas Works and other properties awaiting adjustment.

A classification of all of this property is being prepared, and when audited and completed it will provide a series of property accounts that will be opened in a ledger provided for the purpose in this Department. Each Department, Bureau and Commission charged with the custody of property will then render, each month, a report of all property acquired and disposed of during the month, with the cost thereof. Thus the property records of the City Controller will show at all times, and in detail, the total property of which the City is possessed and each Department, Bureau, etc., responsible therefor. With records established that will show currently the amount of property acquired and disposed of, it will be but a step to establish a classification of accounts for the remainder of the City's expenditures, which, with few exceptions, will consist of current operation and maintenance. Expenditures may then be completely segregated between those for permanent improvements and betterments, and those for operation and maintenance. The segregation of the City's expenditure accounts after this fashion will materially assist in fixing a tax rate to meet operation and maintenance charges, while the separate showing of all expenditures for permanent improvements and betterments will make

it possible to definitely determine the amount of bonds that should be issued to provide for same.

The following is an alphabetical list of the tables embodied in this report:

TABLE A is a statement of the receipts and expenditures during the year 1910.

TABLE B is a statement of the receipts and expenditures and balances of the several Sinking Funds, with the amount of registered loans still due, the securities held by each fund, date of the ordinance creating each loan, the purpose for which created, and date of maturity.

Table B—Continued—Serial Loans.

Serial loans or loans that are apportioned alphabetically into twenty series, the first being due ten years after the date of authorization of loan, and paid annually thereafter at maturity by direct appropriation from taxation.

Section 3 of ordinance approved April 1, 1890, relating to the first serial loan of \$4,600,000, is as follows:

"Whenever any loan shall be created by virtue of this ordinance there shall thereafter be annually appropriated out of the income of the City of Philadelphia, and from money raised by taxation, a sum sufficient to pay the interest on said certificates, and after the said loan shall become payable there shall annually be appropriated for the payment of the principal the sum of two hundred and thirty thousand dollars."

21. As per letter from the City Treasurer, dated July 25, 1910, to Controller, the Department of City Treasurer has collected on account of State tax for the year 1910 \$1,049,120.73. I deem it wise to remit to the Commonwealth of Pennsylvania on account of this item \$1,000,000, which I kindly ask you to countersign. No. 1 letter, dated July 25, 1910-----\$1,000,000 00 Sept. 6, 1910—Letter No. 2 from City. I have received precept for the State tax on personal property, year 1910, showing the valuation to be \$577,581.-\$12.60. Included in this valuation is \$52,075,617.29 assessed against the Provident L. & T. Co., which is in litigation. We, therefore, deduct this amount until litigation is determined, leaving the net valuation \$525,-506,195.31. Four

AN ORDINANCE

To permit the City of Philadelphia, Trustee under the will of Stephen Girard, deceased, to install a scale pit in the sidewalk on the south side of North College avenue, east of Twenty-fifth street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to the City of Philadelphia, Trustee under the will of Stephen Girard, deceased, to install a scale pit in the south sidewalk of North College avenue, approximately twenty feet east of Twenty-fifth street, to be constructed under the supervision and to the satisfaction of the Department of Public Works in accordance with plans to be approved by the Board of Highway Supervisors. Before exercising any privilege under this ordinance, the said the City of Philadelphia, Trustee under the will of Stephen Girard, deceased, shall first enter into an agreement, satisfactory to the City Solicitor, indemnifying the City against all damages by reason of the installation and maintenance of said scale pit, and to remove the scale pit and restore the pavement to its present condition at any time within one year after the passage of an ordinance to that effect; and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance: *Provided*, That the provisions of the ordinance approved March 31, 1902, requiring four feet of covering shall not apply to this ordinance.

APPENDIX No. 95.

Philadelphia, February 2, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to permit the Rector, Church Wardens and Vestrymen of Christ Church, in the City of Philadelphia, to lay steam pipes under and across American street, north of Church street,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch’n*), George W. Zane. John Bethke, W. A. Miller, H. A. Mackey, Thos. J. Morton, John W. Whitaker, Jos. R. C. McAllister, Fred. Schwarz, Jr., Frank H. Caven, Wm. J. Harrington, Geo. D’Autrechy, H. J. Trainer, Chas. A. Gillingham.

AN ORDINANCE

To permit the Rector, Church Wardens and Vestrymen of Christ Church, in the City of Philadelphia, to lay steam pipes under and across American street, north of Church street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to the Rector, Church Wardens and Vestrymen of Christ Church, in the City of Philadelphia, to lay three steam pipes under and across American street, at a point about eighty-eight feet north of Church street, from the west to the east side, for the purpose of connecting their two buildings on opposite sides of said street, and to be used only for said purpose. Each of the said pipes shall be encased in extra heavy cast iron pressure pipe with caulked joints. The said pipes shall be laid under the supervision of the Department of Public Works, in accordance with plans to be approved by the said Depart-

ment. Before exercising any privileges under this ordinance, the said Rector, Church Wardens and Vestrymen of Christ Church, in the City of Philadelphia, shall enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the maintenance of the said pipes, and to repave the street torn up satisfactory to the Department of Public Works, and to remove the said pipes at any time upon the passage of an ordinance to that effect.

APPENDIX No. 96.

Philadelphia, February 2, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to permit Sykes Brothers to lay a five-inch steam pipe under and across Huntingdon street, east of Hancock street,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

APPENDIX No. 101.

Philadelphia, February 2, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to authorize the grading and paving of York road, from Butler street to the Boulevard, with the necessary relocation of railway tracks, and providing for the collection of cost of paving," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), George W. Zane, John Bethke, W. A. Miller, H. A. Mackey, Thos. J. Morton, John W. Whitaker, Jos. R. C. McAllister, Fred. Schwarz, Jr., Frank H. Caven, Wm. J. Harrington, Geo. D'Autrechy, H. J. Trainer, Chas. A. Gillingham.

AN ORDINANCE

To authorize the grading and paving of York road, from Butler street to the Boulevard, with the necessary relocation of railway tracks, and providing for the collection of cost of paving.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized and directed to enter into a contract for the grading and paving of cartway, with best quality of refined natural asphalt, of York road, from Butler street to the Boulevard. The said grading to be to the established City grade, and the paving to be between the outer rails of the double-track railway and the curb, with all the necessary contingent work. The cost of grading, etc., to be paid for out of item for grading in the appropriation to the Department of Public Works (Bureau of Highways), and for paving

out of money paid to the City by the Philadelphia Rapid Transit Company for paving, repaving and repairing streets.

SECT. 2. That the Department of Public Works be authorized and directed to notify the proper officers of the Railway Company to relocate its tracks in accordance with agreement filed June 16, 1894, from the temporary position to the permanent location in the center of the street as indicated on the plan submitted to the Board of Surveyors.

SECT. 3. That assessment bills for the paving authorized by Section 1 shall be transmitted by the Department of Public Works to the City Solicitor for collection or lien against the property fronting on said York road, between the points named.

APPENDIX No. 106.

OFFICE OF THE MAYOR.

Philadelphia, February 16, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—As the one million dollars for the erection of a building for the Free Library of Philadelphia will be available within a short time, I transmit herewith for consideration by your Honorable Bodies, by the request of the Free Library, that the plot of ground, bounded on the east by Nineteenth street, on the west by Twentieth street, on the south by Vine street, and on the north by Wood street, be set aside as a site for the main Library building to be erected by them. The Board of Trustees of the Free Library have considered the matter thoroughly, and have concluded in favor of the above-mentioned site as being the most available and most practical for their purposes. The passage of the necessary legislation, enabling the City of Philadelphia to acquire the site in question for the purpose named, would mark another great step toward the completion of the Parkway, and the placing thereon of institutions commensurate in character with the object for which all have labored so long, and the realization of which means so much to the material and artistic development of the City.

The Parkway, without the magnificent building of the Free Library, would be incomplete, and it is fitting to place at this central location, in the center of this great avenue, surrounded by the many institutions of learning that, undoubtedly, will be placed thereon, between the City Hall and the Municipal Art Gallery, adjacent to the center of the City, and convenient to all citizens. In addition this magnificent building will contain a splendid memorial to the soldiers and sailors whose deeds have reflected glory and luster upon the American nation, and contributed so many pages to the history thereof, making

this building a center of interest to all students of history and art.

I transmit this request without hesitation and without urging, as I feel confident that your Honorable Bodies will realize the splendid opportunity that is thus afforded the City of Philadelphia of having placed upon its main avenue, that will mark the progress of intellect as well as commerce, an institution manifesting the City's interest in the intellectual advancement of her citizens.

In particular, however, I urge that your favorable consideration of this project be speedy, as the money will be available within a short time, and those interested in the welfare of the Library desire that the work of construction be begun at an early date. It will take several years to complete it, and we should not lose the opportunity afforded by the coming of spring. The City of Boston has long been famous for its Public Library, and the City of New York is about to open a library that will reflect glory and credit upon that city. For a long time it has been a source of regret to all interested in the welfare of the Library and to all interested in the City that this great institution should be inadequately and improperly housed under conditions that were not only disadvantageous to the growth of the Library but dangerous to its very existence. The opportunity now afforded of placing this splendid collection in a magnificent and fitting temple devoted to literature should not be neglected, as it will not only mean the proper and safe housing of this splendid collection, which has been gathered together through the industry of those connected with the Library, but will mark the beginning of what should be, beyond doubt, considering the resources, the interest and intelligence of the City of Philadelphia, the most complete and best equipped library in America. I ask, believing it to be unnecessary, your speedy and favorable consideration.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 107.

OFFICE OF THE MAYOR.

Philadelphia, February 16, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—A committee, composed of Rev. Dr. Russell H. Conwell, Michael J. Ryan, Elmer E. Brown, Alexander Wilson, Jr., Samuel A. Darmon, Louis S. Amonson, Charles W. Kolb, George A. Welsh, Samuel M. Clement, Jr., Percy M. Chandler, and Walter C. Hancock, has brought to my attention the desire of the Temple University to secure a location along the line of the Parkway. I transmit their request to your Honorable Bodies with exceeding pleasure, as I believe it is fitting and proper that the City of Philadelphia co-operate in furthering the interests of this University, which has done so much for Philadelphia and her citizens.

The claims of the Temple University are too well recognized to need presentation by me at this time, as it numbers in its alumni more than seventy thousand men and women who have received their education there, and who, by reason of their contact and association with the University, have learned to appreciate and value its worth in the community. They are continually engaged in presenting its meritorious claims for public consideration, and the influence of the University has been far reaching. I am informed that at the present time the attendance at the University is 3,630, with a teaching force of 285 instructors, conducting fifty-seven courses, embraced within fifteen departments. Among these departments are the College of Liberal Arts and Sciences; the Colleges of Law, Medicine, Pharmacy and Dentistry; the Normal Departments of Kindergarten Training, Domestic Science, Domestic Art, Physical Training, and the Department of Pedagogy, and that in the College of Liberal Arts and Sciences, at the present time, there are two hundred and ninety-three of the public school teachers of Philadelphia.

Temple University has been a people's university, supported by the people and maintained entirely without State or City aid, and without those great gifts which have been so benevolently showered upon similar institutions through the generosity of public-spirited benefactors. The amount of good that has been accomplished by Temple University is incalculable, and the fact that it has sent out more than seventy-thousand men and women better fitted for higher employment means the raising, to that degree at least, of the higher standard of citizenship in our community. If the City of Philadelphia, therefore, at this date, can grant assistance and tardy recognition of service well done by thus affording greater opportunities for the education of those ambitious and industrious citizens of Philadelphia who, through no fault of their own, have been denied other opportunities of advancement, it will be but a slight recognition of what the University has meant to the City.

The University is non-sectarian and co-educational, and embraced within its student body, as well as within its teaching faculty and its governing board, are men representing every creed and race constituting American life. The character and scope of the education which it offers is of the highest and broadest type, and the terms of the University for tuition have been well within the limit of those of modest means, affording a splendid opportunity for self-education and self-advancement.

I therefore present their request to your Honorable Bodies and urge your favorable consideration that a site be set aside on the line of the Parkway for Temple University. The buildings which they will erect there will, no doubt, be a splendid addition to the other public and private edifices that will be constructed in time along this magnificent highway and great boulevard of the people, along which will be located many other institutions for the welfare of the people and their advancement. In view of the meritorious claims which the Temple University presents for consideration, their request is most modest indeed, and the action of your Honorable Bodies, sought by them, should be spontaneous and generous. Without

the help and encouragement which has been afforded to those institutions that may be classed as its competitors, Temple University has risen strong and well upon her own resources, contributing, not soliciting. Your action, therefore is asked in order that the great good which the University has done may be continued, and the scope of her influence may be widened and broadened so that the great opportunities which she has afforded to so many thousands in the past may be amplified and afforded to those who will knock at her doors in the future.

Respectfully submitted,

JOHN E. REYBURN,
Mayor.

APPENDIX No. 111.

Philadelphia, February 16, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to provide for the construction, installation and maintenance of a public aquarium and museum in the Fairmount Water Works, buildings and fore-bay, and to transfer the control of the said buildings and the machinery therein and site to the Department of the Mayor, and to sell so much of the said machinery as is not needed for aquarium purposes,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), Chas. A. Gillingham, Watson D. Upperman, E. B. Gleason, Walter T. Sykes, Chas. R. Campbell, Wm. E. Finley, C. E. Connell, Henry W. Lambirth, Frank H. Caven, Peter E. Costello, G. W. Kucker, Chas. Seger.

AN ORDINANCE

To provide for the construction, installation and maintenance of a public aquarium and museum in the Fairmount Water Works, buildings and fore-bay, and to transfer the control of the said buildings and the machinery therein and site to the Department of the Mayor, and to sell so much of the said machinery as is not needed for aquarium purposes.

WHEREAS, It is desirable that there be established a public aquarium and museum for the pleasure of the people and instruction in the life history of aquatic animals, and the Fairmount Water Works in Fairmount Park is de-

clared by the Honorable the Commissioner of Fisheries of the Commonwealth of Pennsylvania well adapted for such an institution; and

WHEREAS, Under a joint resolution of the Legislature of Pennsylvania, approved the 2d day of April A. D. 1905, the collection of mounted specimens of fish and animals and the tanks used by the Department of Fisheries of the State at its exhibit at the World's Fair, St. Louis, in 1904, were donated to the City of Philadelphia for use as an aquarium, and the Commissioner of Fisheries was authorized to supply living Pennsylvania fishes for the same;

AND WHEREAS, The Fairmount Water Works are no longer needed for the purpose of supplying the City with water, and it is desirable that the beautiful buildings, together with the standpipe or water tower, be preserved for all time as a fine example of the earlier architecture and methods of supplying water to the people of Philadelphia; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the buildings known as the Fairmount Water Works in Fairmount Park, the standpipe or water tower, the Greaves' Mansion, and the fore-bay of the said Water Works, and one turbine wheel and pump and all water pipes connected therewith be, and the same are hereby transferred from the Department of Public Works, with the consent of the Commissioners of Fairmount Park, to the Department of the Mayor, for the purpose of a public aquarium and museum, the Water Works buildings to be occupied by tanks and pools for the display of living fish and salt water fishes, and other aquatic animals; the Greaves' Mansion as a biological laboratory and museum for the display of objects relating to fish and the fisheries for the exhibit of fresh and salt water fishes and other aquatic animal life, and for the purpose of free lectures on aquatic and other scientific subjects to the public and especially to public school children; and the standpipe or water tower and the fore-bay for the storage and utilization of the needful water supply.

SECT. 2. That before any work shall be begun on the said aquarium and museum the Department shall call on the Commissioner of Fisheries of the Commonwealth of Pennsylvania, Hon. William E. Meehan, for advice and assistance in the drafting of plans, construction, installation and operation of the same, and the said William E. Meehan, Commissioner of Fisheries, shall be requested to oversee and manage the said aquarium and museum subject to the approval of the Department of the Mayor, until it is completed, but he shall not be considered an employee of the City of Philadelphia or receive any salary.

SECT. 3. The said Department is hereby authorized to sell, at the best prices obtainable, all the pumps and machinery now in the said Water Works, except one turbine wheel, one pump and such other of said machinery as is needed for the said aquarium, and pay the proceeds thereof to the City Treasurer, who shall keep a separate account thereof, it being the intention of Councils to hereafter appropriate and devote the said proceeds to pay for the construction, installation and maintenance of the said aquarium and museum.

SECT. 4. The Bureau of Water is authorized at the request of the said Department to supply sufficient filtered water for the said aquarium and museum. The Electrical Bureau is hereby authorized to wire and install electric lighting apparatus and light the said buildings at the cost of the City, and the Bureau of Gas is hereby authorized to order the installation of proper gas fixtures therein and supply gas to the same at the cost of the City.

SECT. 5. The public aquarium and museum, when completed, shall be under the control and direction of the Department of the Mayor, and its maintenance be subject to appropriations by the City Councils.

Chas. R. Campbell, Wm. E. Finley, C. E. Connell, Henry W. Lambirth, Frank H. Caven, Peter E. Costello, G. W. Kucker, Chas. Seger.

AN ORDINANCE

To authorize the payment of the claim of the Estate of Michael O'Rourke for work done on the Aramingo main sewer, between Richmond street and the Bulkhead, under revised plan of the Department of Public Works, as awarded by Joseph J. deKinder, referee appointed by the Mayor, under instructions from Select and Common Councils, with interest from November 10, 1902, and to make an appropriation therefor.

WHEREAS, Under resolution of Select and Common Councils, approved the 29th day of March, 1909, Joseph J. deKinder was appointed by His Honor, the Mayor, referee in the disputed claim of the Estate of Michael O'Rourke for work done on the Aramingo main sewer, between Richmond street and the Bulkhead, under revised plan of the Department of Public Works, it being contended on the part of the contractor that, owing to a change of plans by the engineers, additional work was done amounting to forty-six thousand seven hundred and twenty (\$46,720) dollars, entailing a saving to the City in unit prices of thirty-eight thousand three hundred and thirty-one (\$38,331) dollars and sixty (60) cents, for all of which no compensation was allowed;

And WHEREAS, After a careful examination of all the contracts, letters and papers in connection with said work, and of all officers having knowledge of any facts in connection therewith (when said contractor had filed a bond to pay costs of said investigation), the said referee, in an exhaustive report now on file in the office of the Mayor, found in favor of said contractor in the sum of thirty thousand seven hundred and twenty-two (\$30,722) dollars and twenty (20) cents, together with interest from November 10, 1902, which is the date of signing the last certificate by the Chief Engineer of the Bureau of Surveys; therefore

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of forty-eight thousand six hundred and ninety-four (48,694) dollars and sixty-nine (69) cents be, and the same is hereby appropriated to the Department of Public Works (Bureau of Surveys) to Item , for paying claim of said Estate of Michael O'Rourke in connection with work done on the Aramingo main sewer, between Richmond street and the Bulkhead, under revised plan of the Department of Public Works, being the amount of the award of the referee appointed by the Mayor under authority of Select and Common Councils, together with interest from November 10, 1902.

APPENDIX No. 120.

OFFICE OF THE MAYOR.

Philadelphia, February 23, 1911

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN :—I transmit herewith for consideration by your Honorable Bodies “An Ordinance to authorize the purchase of property on the southwest corner of Broad and Arch streets, in the Ninth Ward of the City of Philadelphia.”

The Commissioners authorized by your Honorable Bodies to negotiate for the acquirement of property along the line of the Parkway, after thorough consideration of the matter, deemed it advisable that the City purchase the tract of ground mentioned for the sum of one million two hundred and fifty thousand (1,250,000) dollars, and in order that the burden assumed by the City in paying should be equally distributed over a period of years, and that the entire amount should not be withdrawn at once from the City's funds, a proposition was made to the owners of the property that payment be made in the manner following, namely: two hundred and fifty thousand dollars on the first day of April, 1911, and the balance in annual instalments, payable within thirty days after the first day of April of each year, of not less than one hundred thousand dollars each, together with interest at four (4) per cent. per annum, payable semi-annually. This proposition being acceptable to the owners of the property, the Commissioners agreed to purchase the property upon the above terms.

I transmit this ordinance, therefore, to your Honorable Bodies for consideration, with a request that it be favorably acted upon, as it is the belief of the Commissioners that this settlement has been most advantageous to the City, the property in question being the highest priced property per foot front located on the line of the Park-

way, and a property which, undoubtedly, if not bought at the present time, would cost the City twice or three times the sum named. The opportunity is presented to the City of purchasing the property at once by a method of payment that will not in any way burden the City's finances, and I have no doubt that your Honorable Bodies will concur in the action of the Commissioners and pass the necessary legislation enabling the City to obtain the immediate use and occupation of the property.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

—

AN ORDINANCE

To authorize the purchase of property on the southwest corner of Broad and Arch streets, in the Ninth Ward of the City of Philadelphia, for Park Boulevard purposes.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the Mayor be authorized to purchase for the City of Philadelphia for Park Boulevard purposes: All that certain lot or piece of ground situate on the southwest corner of Broad and Arch streets, together with the four four-story buildings thereon erected fronting on Arch street, in the Ninth Ward of the City of Philadelphia, more particularly described as follows: Beginning at a point in the southwest corner of Broad and Arch streets, in the City of Philadelphia; thence extending westward along the south side of Arch street one hundred and seventy-three feet three and one-quarter inches to a point; thence southward along a line parallel with the west side of Broad street one hundred and thirty-nine feet more or less to the north side of Cuthbert street; thence extending eastward along the north side of Cuthbert street one hundred and seventy-three feet three and one-quarter inches to a point in the west side of Broad street; thence extending northward along the

west side of Broad street one hundred and thirty-nine feet more or less to the place of beginning, under the following terms and conditions: The said property shall be conveyed to the City of Philadelphia, in fee, in consideration of the sum of one dollar, under and subject to a mortgage theretofore created to secure the payment of the principal sum of one million two hundred and fifty thousand (1,250,000) dollars, payable as follows: Two hundred and fifty thousand (250,000) dollars on or before the first day of April, 1911, and the balance in annual instalments, payable within thirty days after the first day of April of each year, of not less than one hundred thousand (100,000) dollars each, together with interest thereon at the rate of four (4) per cent. per annum, payable semi-annually. The bond accompanying the mortgage secured upon the said premises shall provide that there shall be no personal liability thereon on the part of the obligor, and that it can only be collected out of the mortgaged premises. The conveyance of the said property to the City of Philadelphia shall recite that it is made under and subject to the duty of payment thereout of the amount of the principal sum of the said mortgage, with interest thereon as aforesaid, but that no personal liability is assumed for the payment of the principal thereof, or the interest thereon, either directly to the mortgagee or indirectly by way of indemnity to the mortgagor. The taxes and water rent for the current year chargeable against the said premises shall be apportioned as of the date of the conveyance to the City of Philadelphia.

SECT. 2. That the City Solicitor be, and is hereby authorized and directed to examine the title to the said property, and if he approves of the same, to cause a conveyance thereof to be made to the City of Philadelphia, in fee, in accordance with the terms hereinbefore recited.

SECT. 3. The purchase money of the said premises and the first instalment on the said mortgage, payable on or before the first day of April, 1911, amounting to two hundred and fifty thousand and one (250,001) dollars shall be charged against and payable out of Item 20A, appropriation to City Treasurer under ordinance July 19, 1909.

The recommendations of the Commission to remove the Laboratory from the City Hall (which has already been covered in past Annual Reports of the Department), the erection of a Municipal Pasteurization Plant, and the inauguration of Municipal Milk Stations, are all good, and

meet with the hearty approval of the Department, and will be covered in future reports at such time when there may be sufficient moneys to warrant a request for appropriations needed therefor.

Should the appropriations as above requested be made to the Department at once, many of the evils complained of by the Commission can be overcome, and Philadelphia placed in line with other leading cities to assure a sanitary milk supply that will play great part in the reduction of infant mortality and the incidence of many contagious diseases.

I am,

Very respectfully yours,

J. S. NEFF,

Director.

APPENDIX No. 142.

Philadelphia, March 9, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to authorize the creation of a loan or loans by the City of Philadelphia of the sum of two million three hundred thousand (2,300,000) dollars, for the following purposes, to wit: For continuing the work of improving League Island Park; for the completion of the Queen Lane filtration plant; for the construction of main sewers; for grading streets (including streets leading to Passyunk avenue bridge); for the construction of branch sewers; for paving intersections of streets and in front of unassessable prop-

erty; for resurfacing asphalt streets not occupied by railway tracks; for resurfacing macadam roads, and for continuing the work of improving the Boulevard, from Second to Rhawn street," accompanied with a resolution to publish a loan bill, respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Chas. R. Campbell, C. E. Connell, Harry C. Ransley, Frank H. Caven, G. W. Kueker, E. Buchholz, Alfred Gratz, Watson D. Upperman, Chas. A. Gillingham, Louis Hutt, Walter T. Sykes, John H. Hahn, Thomas J. Morton.

AN ORDINANCE

To authorize the creation of a loan or loans by the City of Philadelphia of the sum of two million three hundred thousand (2,300,000) dollars, for the following purposes, to wit: For continuing the work of improving League Island Park; for the completion of the Queen Lane filtration plant; for the construction of main sewers; for grading streets (including streets leading to Passyunk avenue bridge); for the construction of branch sewers; for paving intersections of streets and in front of unassessable property; for resurfacing asphalt streets not occupied by railway tracks; for resurfacing macadam roads, and for continuing the work of improving the Boulevard, from Second to Rhawn str. et.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Mayor of the City be, and he is hereby authorized to borrow at such times and in such proportions as in his judgment the best interests of the City demand, from the highest bidder or bidders, either by popular subscription or by advertisement, at not less than par, on the faith and credit of the City of Philadelphia, a sum or sums which in the aggregate shall not exceed two million three hundred thousand (2,300,000) dollars, to be expended as provided for in the second section of this ordinance.

SECT. 2. The money raised by the loan or loans authorized by the first section of this ordinance, viz.: Two million three hundred thousand (2,300,000) dollars, shall be expended as follows: For continuing the work of improving League Island Park, two hundred and fifty thousand (250,000) dollars; for the completion of the Queen Lane filtration plant, five hundred and twenty-five thousand (525,000) dollars; for the construction of main sewers, one hundred and twenty-five thousand (125,000) dollars; for grading streets (including streets leading to Passyunk avenue bridge), three hundred thousand (300,000) dollars; for the construction of branch sewers, two hundred thousand (200,000) dollars; for paving intersections of streets and in front of unassessable property, one hundred thousand (100,000) dollars; for resurfacing asphalt streets not occupied by railway tracks, two hundred thousand (200,000) dollars; for resurfacing macadam roads, one hundred thousand (100,000) dollars, and for continuing the work of improving the Boulevard, from Second to Rhawn street, five hundred thousand (500,000) dollars.

SECT. 3. Interest on said loan at a rate not exceeding four per centum per annum shall be paid by the City of Philadelphia, half yearly, on the first days of the months of January and July, at the office of the fiscal agency of the City of Philadelphia. Certificates of the said loan shall be in the usual form, in such amounts as the lender may require, in the sums of one hundred (100) dollars and its multiples, in registered or coupon form, and it shall be expressed in the said certificates that the loan therein mentioned is payable thirty years after date thereof, and that the principal and interest on said loan are payable in lawful money of the United States free from all taxes.

SECT. 4. Whenever any loan shall be created by virtue of this ordinance, there is, by force of this ordinance, an annual tax levied of six and one-quarter ($6\frac{1}{4}$) per centum on the par value of such certificates so issued to pay the interest, also the principal, of such loan within thirty years, and there is hereby annually appropriated to the

Commissioners of the Sinking Fund, out of the tax so collected, a sum sufficient to pay the interest on said loan, also the principal thereof, within thirty years and as the same become payable. The appropriation for interest to be paid semi-annually and for the Sinking Fund quarterly to the said Commissioners.

RESOLUTION

To publish a loan bill.

Resolved, By the Common Council of the City of Philadelphia, That the Chief Clerk of Common Council be authorized to publish in not less than two newspapers of the City of Philadelphia, daily for four weeks, the draft of the ordinance introduced in Common Council on Thursday, March 2, 1911, entitled "An Ordinance to authorize the creation of a loan or loans by the City of Philadelphia of the sum of two million three hundred thousand (2,300,000) dollars, to be expended for the following purposes, to wit.: For continuing the work of improving League Island Park; for the completion of the Queen lane filtration plant; for the construction of main sewers; for grading streets (including streets leading to Passyunk avenue bridge); for the construction of branch sewers; for paving intersections of streets and in front of unassessable property; for resurfacing asphalt streets not occupied by railway tracks; for resurfacing macadam roads; and for continuing the work of improving the Boulevard, from Second to Rhawn street," and that the said clerk at a meeting of Common Council, after the expiration of four weeks from the first day of said publication, shall present to Common Council one of each of said newspapers for every day in which the said publication shall have been made.

Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to authorize the Department of Wharves, Docks and Ferries to pay the American Dredging Company twenty-five thousand (25,000) dollars for dredging the Delaware river in front of and adjoining Pier D and that section of the channel in front of and adjacent to Piers Nos. 11, 12, 13 and 14, Port Richmond, and authorizing the City Controller to countersign a warrant in the said amount,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), Chas. R. Campbell, C. E. Connell, Harry C. Ransley, Frank H. Caven, G. W. Kucker, E. Buchholz, Alfred Gratz, Watson D. Upperman, Chas. A. Gillingham, Louis Hutt, Walter T. Sykes, John H. Hahn, H. J. Trainer, Thomas J. Morton.

AN ORDINANCE

Authorizing the Director of the Department of Wharves, Docks and Ferries to draw, and the City Controller to countersign, a warrant in favor of the American Dredging Company for dredging the Delaware river in front of and adjoining Pier “D” and that section of the channel in front of and adjacent to Piers Nos. 11, 12, 13 and 14, Port Richmond.

WHEREAS, The Steamer "Graf Waldersee," of the Hamburg-American Line, was unable to get up to Pier "D," Port Richmond, on her maiden voyage to this port, November 10, 1910, on account of insufficient depth of water in the Delaware river, opposite to Pier "D" and Piers Nos. 11, 12, 13 and 14, Port Richmond, to turn her; and owing to the shallowness in that locality the vessel was obliged to leave this port with twenty-five hundred (2,500) tons less than her carrying capacity, which meant a loss to her owners, so that the management of the line announced that it would be obliged to take its large vessels from this port unless assured of sufficient depth of water to load them somewhere near their full capacity; and

WHEREAS, The Steamer "Graf Waldersee" being due to arrive in this port on December 20, 1910, the Department of Wharves, Docks and Ferries solicited bids for dredging from three (3) responsible dredging companies; there being but one bid received, that of the American Dredging Company at eighteen (18) cents per cubic yard, this Company was notified to proceed with the work, and has removed 138,888 8-9 cubic yards of material from the Delaware river channel in the locality named; 23,167 cubic yards of material were removed during the month of December, 1910, and 115,721 8-9 cubic yards during January and February, 1911, making a total of 138,888 8-9 cubic yards removed; and

WHEREAS, By ordinance approved December 29, 1910, twenty-five thousand (25,000) dollars was appropriated to Department of Wharves, Docks and Ferries for dredging in the locality named, which money was carried over into 1911.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Wharves, Docks and Ferries be authorized to draw, and the City Controller to countersign, a warrant for the American Dredging Company for the sum of twenty-five thousand (25,000) dollars, for dredging the Delaware river in front of and adjoining Pier "D" and that section of the channel in front of and adjacent to

Piers Nos. 11, 12, 13 and 14, Port Richmond, and charge the same against Item 24 in the annual appropriation to the Department of Wharves, Docks and Ferries for the year 1911.

APPENDIX No. 145.

Philadelphia, March 9, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled "An Ordinance authorizing and directing the Director of the Department of Wharves, Docks and Ferries to draw, and the City Controller to countersign, a warrant in favor of the American Dredging Company for removing material from the dock north side of Pier No. 34 South, Delaware river, and to charge the same against Item No. 17-A, for dredging City docks, private docks into which municipal sewers empty, the Schuylkill river channel, and shoals in the Delaware river between the Pierhead and Bulkhead lines, in the appropriation to said Department by ordinance approved the 16th day of June, A. D. 1910," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Chas. R. Campbell, C. E. Connell, Harry C. Ransley, Alfred Gratz, E. Buchholz, Watson D. Upperman, Chas. A. Gillingham, Louis Hutt, Walter T. Sykes, John H. Hahn, Thomas J. Morton, Wm. E. Finley, Henry W. Lambirth.

AN ORDINANCE

Authorizing and directing the Director of the Department of Wharves, Docks and Ferries to draw, and the City Controller to countersign, a warrant in favor of the American Dredging Company, for removing material

from the dock north side of Pier No. 34 South, Delaware river, and to charge the same against Item No. 17-A, for dredging City docks, private docks into which municipal sewers empty, the Schuylkill river channel, and shoals in the Delaware river between the Pierhead and Bulkhead lines, in the appropriation to said Department by ordinance approved the 16th day of June, A. D. 1910.

WHEREAS, In order to accommodate the steamers of the North German Lloyd, which had established a line at this port, and no money being available at the time for dredging, the Department of Wharves, Docks and Ferries solicited bids for dredging at this pier; but one bid being received, that of the American Dredging Company, at twenty-one and one-half ($21\frac{1}{2}$) cents per cubic yard therefor, they were notified to proceed with the work, and have removed a total number of 36,209 cubic yards of material from the dock north side of Pier No. 34 South, Delaware river, for which the City agreed to pay seventy (70) per cent. of the cost and the Independent Pier Company thirty (30) per cent., the City's share being 25,346 cubic yards at twenty-one and one-half ($21\frac{1}{2}$) cents per cubic yard, or five thousand four hundred and forty-nine (5,449) dollars and thirty-nine (39) cents.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain.* That the Director of the Department of Wharves, Docks and Ferries be authorized and directed to draw, and the City Controller to countersign, a warrant amounting to five thousand four hundred and forty-nine (5,449) dollars and thirty-nine (39) cents, in favor of the American Dredging Company, for removing 25,346 cubic yards of material (being seventy (70) per cent. of the total amount of material removed) from the dock north side of Pier No. 34 South, Delaware river, where a City sewer empties, and to charge the same against Item 17-A, for dredging City docks, private docks into which municipal sewers empty, the Schuylkill river channel, and shoals in the Delaware river between the Pierhead and Bulkhead lines.

APPENDIX No. 146.

Philadelphia, March 9, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance regulating the award of contracts and the obtaining of bids for work, materials and supplies in amounts not exceeding five hundred (500) dollars,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

RESOLUTION

Of request to the Mayor to return to Common Council, Common Council bill (Appendix No. 114) entitled "An Ordinance to authorize the payment of the claim of the Estate of Michael O'Rourke for work done on the Aramingo main sewer, between Richmond street and the Bulkhead, under revised plan of the Department of Public Works, as awarded by Joseph J. deKinder, referee appointed by the Mayor, under instructions from Select and Common Councils, with interest from November 10, 1902, and to make an appropriation therefor."

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Mayor be, and he is hereby requested to return to Common Council, Common Council bill (Appendix No. 114) entitled "An Ordinance to authorize the payment of the claim of the Estate of Michael O'Rourke for work done on the Aramingo main sewer, between Richmond street and the Bulkhead, under revised plan of the Department of Public Works, as awarded by Joseph J. deKinder, referee appointed by the Mayor, under instructions from Select and Common Councils, with interest from November 10, 1902, and to make an appropriation therefor."

APPENDIX No. 152.

OFFICE OF THE MAYOR.

Philadelphia, March 9, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—In compliance with the resolution of recall, this day passed by your Honorable Bodies, I return herewith an ordinance (Appendix No. 114) entitled "An Ordinance to authorize the payment of the claim of the Estate of Michael O'Rourke for work done on the Aramingo main sewer, between Richmond street and the Bulkhead, under revised plan of the Department of Public Works, as awarded by Joseph J. deKinder, referee appointed by the Mayor, under instructions from Select and Common Councils, with interest from November 10, 1902, and to make an appropriation therefor."

Respectfully yours,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 153.

OFFICE OF THE MAYOR.

Philadelphia, March 16, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith, for consideration by your Honorable Bodies, an ordinance making an appropriation to the Commissioners of Fairmount Park toward the building of an Art Gallery on the site of the Fairmount reservoir.

This location has met with universal approval, but, as the lines of the Parkway have now been finally established, it is important that the actual work of constructing the Art Gallery on this site be begun at the earliest possible moment. It will form the crowning feature of the Parkway, and will be a notable contribution to Philadelphia's progress. A considerable length of time will be required in the preparation of this site; and, as the Parkway is opened and developed, the Art Gallery and similar institutions should be under construction so that the entire work will be completed at about the same time.

The money to be appropriated by this ordinance is provided for by the two hundred thousand (200,000) dollars authorized by loan of June 17, 1898, with its various amendments, which money is now available.

For the above reasons, I ask your Honorable Bodies' prompt and favorable consideration of the accompanying ordinance.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

AN ORDINANCE

To set aside the Fairmount reservoir, in Fairmount Park, as a site for the erection of an Art Gallery, and appropriating to the Park Commissioners the sum of two hundred thousand (200,000) dollars for the erection and construction of a public Art Gallery thereon.

WHEREAS, It has been deemed advisable that the site formerly occupied by the old Fairmount Park reservoir be set aside as a site for the erection of a public Art Gallery;

AND WHEREAS, The said site is no longer in use by the Bureau of Water, nor deemed necessary for their purposes;

AND WHEREAS, The sum of two hundred thousand (200,000) dollars is now available for the construction of the said Art Gallery, and it is important that the work of construction be begun at an early date.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That all that tract or plot of ground known as the Fairmount reservoir, situate near the intersection of Twenty-fifth and Spring Garden streets, in the City of Philadelphia, and belonging to the City of Philadelphia, and used by the Department of Public Works, Bureau of Water, be transferred and placed under the control and management of the Commissioners of Fairmount Park for the use of the City of Philadelphia as a site for a public Art Gallery, and that the sum of two hundred thousand (200,000) dollars authorized by the loan of eleven million two hundred thousand (11,200,000) dollars approved June 17, 1898, with the amendments thereto, be appropriated to the Commissioners of Fairmount Park for the erection and construction of said Art Gallery.

All other ordinances or parts of ordinances inconsistent herewith be and the same are hereby repealed.

APPENDIX No. 165.

OFFICE OF THE MAYOR.

Philadelphia, March 23, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I beg to submit to your Honorable Bodies a communication received to-day from the Public Playgrounds Committee, and to request your favorable consideration of the attached ordinance. A petition from the neighbors in behalf of the continuation of the playground at Jefferson Square is also submitted.

The desire for a playground for every Philadelphia child lies very near to our hearts. Your Honorable Bodies have made great progress towards a realization of this splendid achievement during 1909 and 1910 by creating the Playgrounds Commission, by adopting its comprehensive report, and by creating its successor, the Public Playgrounds Committee, for the purpose of carrying out these carefully prepared plans. I trust the accompanying ordinance will be regarded by your Honorable Bodies, as it is by me, as another step towards this much-desired goal.

This ordinance is drawn to supersede a similar ordinance which has already unanimously passed Common Council and is now in the hands of the Committee on Municipal Government of Select Council. The accompanying ordinance and the communication from the Public Playgrounds Committee remove the objections raised against the former ordinance.

Time is the essence of the case in your consideration of this ordinance. All of our municipal playground work in this, the first year of our public control, is dependent upon its immediate passage. The time has arrived for the work to begin, if it is to be effectual for the approaching summer.

I have every confidence that the demonstration which

the Public Playgrounds Committee has planned will awaken even greater enthusiasm in behalf of well supervised and thoroughly equipped playgrounds, and that your Honorable Bodies will have reason to be proud of the leadership our great City is assuming in this splendid undertaking for the benefit of all our children.

To this end I would respectfully and earnestly recommend that your Honorable Bodies pass the accompanying ordinance.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

—

PUBLIC PLAYGROUNDS COMMITTEE.

587, City Hall.

Philadelphia, March 22, 1911.

MAYOR JOHN E. REYBURN,
City Hall, Philadelphia.

DEAR SIR:—Your plans for a comprehensive system of playgrounds have made steady progress year by year. The Public Playgrounds Commission, created by Councils and appointed by your Honor on May 27, 1909, submitted its report on May 5, 1910, containing what is acknowledged to be one of the most thorough studies of playground practice ever made by an American city. On July 27, 1910, Councils created its successor, the Public Playgrounds Committee, to carry out the recommendations of the Commission. Appropriations are now in the hands of your Committee, playground teachers are engaged, apparatus and equipment have been designed. Your Public Playgrounds Committee is therefore prepared to do its part in performing its trust and in providing more playgrounds and better playgrounds than ever before for the children of Philadelphia.

In order, however, that effect may be given to previous

ordinances of Councils and to your Honor's earnest efforts, it is necessary that certain public areas should be transferred to the control of this Committee by ordinance of Councils. Such an ordinance, transferring eight areas, was passed unanimously by Common Council on March 2, 1911, but has been delayed since that date in Select Council. Of the eight areas mentioned, Norris, Jefferson and Fotterral Squares were recommended in the report of the Public Playgrounds Commission. Jefferson, Womrath and Westmoreland Squares have been used as temporary playgrounds under private management. Anna M. Ross Park is a small triangle. The remaining two areas (Fifty-sixth and Catharine streets and Twenty-second street and Sedgley avenue) have been specifically set aside by Councils for playground purposes. By virtue of the ordinance creating this Committee, it is its duty and privilege to develop and conduct such areas as playgrounds when they shall have been transferred to the control of this Committee. The development of these last two areas specifically set apart as playgrounds is contemplated along different and more complete lines than of those previously mentioned.

The only objections to the passage of this ordinance which have reached the ears of your Committee are based upon misapprehensions. It is erroneously supposed that your Committee proposed to encumber certain City squares with large buildings, which would interfere with their important function as breathing spaces. No buildings are contemplated upon any of these City squares, except small shelter houses for stormy weather, containing public comfort stations, store rooms and other appurtenances essential to the proper use and conduct of the playgrounds. These small buildings will be decorative, and in no way diminish the beauty of any square. It is also feared by some that the permission to erect any building for proper and necessary purposes will prove an entering wedge for the use of City squares for sites for public libraries, fire houses, etc. Your Committee is unalterably opposed to all such uses, which are dissimilar in kind and wholly unjustifiable for any reason.

There still remain a comparatively few persons who regard any playground as objectionable and annoying to neighbors.

Experience in this and other cities with well supervised and properly planned playgrounds has disproven this contention. In many districts the neighbors are the strongest playground advocates. In Chicago and elsewhere playgrounds have enhanced the value of adjacent real estate. It is possible that an unsupervised playground may be objectionable, but it is for the express purpose of establishing supervised playgrounds that this Committee has been created. A temporary playground, with no proper arrangement and with no protection against dust, is also undesirable, and it is for this reason, among others, that this Committee desires the control of all playground areas in order to eliminate any such proper objection.

It is also feared by some that the beauty of certain City squares may be impaired, whereas it is the purpose of your Committee to enhance their aesthetic features.

All these matters are well known to your Honor, but cannot be fully appreciated by every one until the demonstration which this Committee proposes has been made.

The only alternative to the policy outlined in this ordinance is the purchase, by condemnation or otherwise, of blocks of buildings and their demolition to create sites for playgrounds. This involves the expenditure of large sums of money not now available. The future policy of your Committee involves the systematic purchase of new playground areas over a period of years. Meanwhile, the present generation of children is with us, whose rights must not be denied.

Under the control of a private body, the Playgrounds Association of Philadelphia, fifteen playgrounds were provided during the year 1910, with a total attendance of 619,648 children. It is the earnest desire of your Committee to make an even better record in 1911, under municipal control.

Time presses; the funds are ready; plans are made; the children are waiting. If your Honor and Councils so

ordain, Philadelphia will enter upon its first year of a municipal playgrounds system for a healthier and happier Philadelphia.

The fundamental purpose in the creation of this Committee was the immediate conduct of playgrounds and the improvement of conditions in the congested districts. We cannot, therefore, urge too strongly the immediate passage of an enabling ordinance, confident that a summer's demonstration will entirely remove any existing or fancied objection to the use of these public squares in part for play purposes.

Yours respectfully,

PUBLIC PLAYGROUNDS COMMITTEE,

OTTO T. MALLERY,

Secretary.

AN ORDINANCE

To transfer the control and custody of the whole or portion of certain squares and plots of ground from the Department of Public Safety (Bureau of City Property) to the control and custody of the Mayor (Public Playgrounds Committee), and to authorize the necessary work of transforming such squares or portions thereof and plots of ground into recreation centers and playgrounds.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the control and custody of the following squares or portion of squares and plots of ground be, and the same are hereby transferred from the Department of Public Safety (Bureau of City Property) to the control and custody of the Mayor (Public Playgrounds Committee), as provided for by the ordinance organizing the said Committee, approved July 27, 1910:

DEPARTMENT OF LAW.

Philadelphia, March 30, 1911.

MR. A. R. H. MORROW,
Secretary Finance Committee.

DEAR SIR:—Your favor of the 29th instant, enclosing an ordinance entitled "An Ordinance to authorize the purchase of property on the southwest corner of Broad and Arch streets, in the Ninth Ward of the City of Philadelphia, for Park Boulevard purposes, and to provide for the payment of the same," with request that I give the Finance Committee of Select and Common Councils an opinion as to whether Councils have the right to buy property under the terms of the said ordinance, received.

I assume that your inquiry is merely directed to the power of Councils to purchase the property on the conditions set forth in the ordinance, namely: by the payment of \$250,000 on the execution of the deed and taking title to the property subject to a mortgage of \$1,000,000 to be paid in installments.

Councils have the right to buy the the property upon any terms that they see fit. It can pay all the purchase money, or pay a part, and take title subject to a mortgage, as in this case.

I do not understand that the question asked relates at all to any other matter than the right of Councils to purchase the property and that it does not relate to whether the balance of the purchase money secured by mortgage, namely \$1,000,000, is not the creation of a debt under the Constitution. As to this latter matter I therefore do not give any opinion.

Very truly yours,

JAMES ALCORN,

City Solicitor.

AN ORDINANCE

To authorize the purchase of property on the southwest corner of Broad and Arch streets, in the Ninth Ward of the City of Philadelphia, for Park Boulevard purposes, and provide for the payment of the same.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Mayor be authorized to purchase for the City of Philadelphia, for Park Boulevard purposes, all that certain lot or piece of ground, situate on the southwest corner of Broad and Arch streets together with the four four-story buildings thereon erected fronting on Arch street, in the Ninth Ward of the City of Philadelphia, more particularly described as follows: Beginning at a point in the southwest corner of Broad and Arch streets, in the City of Philadelphia; thence extending westward along the south side of Arch street one hundred and seventy-three feet and three and one-quarter inches to a point; thence southward along a line parallel with the west side of Broad street one hundred and thirty-nine feet, more or less, to the north side of Cuthbert street; thence extending eastward along the north side of Cuthbert street one hundred and seventy-three feet three and one-quarter inches to a point in the west side of Broad street; thence extending northward along the west side of Broad street one hundred and thirty-nine feet, more or less, to the place of beginning, for the sum of one million

two hundred and fifty thousand (1,250,000) dollars, under the following terms and conditions. The said property shall be conveyed to the City of Philadelphia, in fee, two hundred and fifty thousand (250,000) dollars to be paid upon the execution and delivery of the deed, subject to a mortgage to be theretofore created, to secure the payment of the principal sum of one million (1,000,000) dollars, with interest at 4 per cent. per annum, payable as follows: In annual instalments, payable within thirty days after the first day of April of each year, of not less than one hundred thousand (100,000) dollars each, together with interest thereon at the rate of 4 per cent. per annum, payable semi-annually. The bond accompanying the mortgage secured upon the said premises shall provide that there shall be no personal liability thereon on the part of the obligor, and that it can only be collected out of the mortgaged premises. The conveyance of the said property to the City of Philadelphia shall recite that it is made under and subject to the duty of payment thereof of the amount of the principal sum of the said mortgage, with interest thereon as aforesaid, but that no personal liability is assumed for the payment of the principal thereof, or the interest thereon, either directly to the mortgagee or indirectly by way of indemnity to the mortgagor. The taxes and water rent for the current year chargeable against the said premises shall be apportioned as of the date of the conveyance to the City of Philadelphia.

SECT. 2. That the City Solicitor be and is hereby authorized and directed to examine the title to the said property, and if he approves of the same, to cause a conveyance thereof to be made to the City of Philadelphia in fee, in accordance with the terms hereinbefore recited.

SECT. 3. The purchase money of the said premises and the first instalment on the said mortgage payable upon the execution of delivery of said deed, amounting to two hundred and fifty thousand (250,000) dollars, shall be paid as follows: So much as is now available in Item 20-A, in the appropriation to the City Treasurer under ordinance of July 19, 1909, for Parkway, viz.: one hundred

and ninety-seven thousand (197,000) dollars and the balance of fifty-three thousand (53,000) dollars being hereby appropriated out of unappropriated balance in the City Treasury, to Item 20 (new), in the annual appropriation to the City Treasurer, for the year 1911.

APPENDIX No. 184.

Philadelphia, March 30, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to permit the Commonwealth Brewing Company to lay pipes under and across Cambridge street, east of Twenty-eighth street,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

Jno. P. Connelly (*Ch’n*), H. A. Mackey, Jos. R. C. McAllister, Chas. R. Campbell, George W. Zane, W. A. Miller, Wm. J. Harrington, J. E. Lennon, Isaac D. Hetzell, Edw. W. Patton, H. J. Trainer, Frank H. Caven, John W. Whitaker, Fred. Schwarz, Jr.

AN ORDINANCE

To permit the Commonwealth Brewing Company to lay pipes under and across Cambridge street, east of Twenty-eighth street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to the Commonwealth Brewing Company to lay pipes under and across Cambridge street, two at a point about eighty-five feet east of Twenty-eighth street, and one on said Cambridge street from a point on the north side about seventy-five feet east of Twenty-

eighth street diagonally across said Cambridge street to a point on the south side about thirty-four feet east of Twenty-eighth street, for the purpose of conveying water, ammonia and beer. The said pipes shall be used exclusively for such purposes and be laid under the supervision and to the satisfaction of the Department of Public Works, in accordance with plans to be approved by the Board of Highway Supervisors. Before exercising any privilege under this ordinance the said the Commonwealth Brewing Company shall enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the laying and maintenance of said pipes, and agreeing to remove the same and restore the street to its present condition upon the passage of an ordinance to that effect, and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance.

APPENDIX No. 185.

Philadelphia, March 30, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to permit the W. J. McCahan Sugar Refining Company to lay pipe lines under the sidewalk on the south side of Tasker street, from Water to Ash street, and under the sidewalk on the west side of Ash street, from Tasker street south about two hundred and fifty feet," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

Jno. P. Connelly (*Ch'n*), H. A. Mackey, Jos. R. C. McAllister, Chas. R. Campbell, George W. Zane, W. A. Miller, Wm. J. Harrington, J. E. Lennon, Isaac D. Hetzell, Edw. W. Patton, H. J. Trainer, Frank H. Caven, John W. Whitaker, Fred. Schwarz, Jr.

AN ORDINANCE

To permit the W. J. McCahan Sugar Refining Company to lay pipe lines under the sidewalk on the south side of Tasker street, from Water to Ash street, and under the sidewalk on the west side of Ash street, from Tasker street south about two hundred and fifty feet.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and the same is hereby given to the W. J. McCahan Sugar Refining Company to lay two four-inch pipe lines under the sidewalk on the south side of Tasker street, from Water to Ash street, and under the sidewalk on the west side of Ash street, from Tasker street south about two hundred and fifty feet, connecting their sugar house on Water street, north of Morris street, with the refinery on Ash street, south of Tasker street. The said pipes shall be laid under the supervision and to the satisfaction of the Department of Public Works in accordance with plans to be approved by said Department, and shall not interfere with any municipal or other structures, and be used exclusively in the business of said company. Before issuing a permit for the work of laying said pipes, said W. J. McCahan Sugar Refining Company shall enter into an agreement, satisfactory to the City Solicitor, protecting the City against all damages by reason of the laying and maintenance of the same, and to repave and keep in good order so much of the streets as shall be disturbed in said work, and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance. The privilege hereby granted shall be revocable at any time and the pipes removed upon the passage of an ordinance to that effect.

APPENDIX No. 203.

OFFICE OF THE MAYOR.

Philadelphia, April 10, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I enclose herewith a resolution of request to the City Controller to countersign warrants for the compensation and expenses of a publicity agent of the exhibition of City plans, and suspending Joint Rule No. 30 of the Select and Common Councils.

This exhibition, which will be the first exhibition of its kind that has ever been held by any municipality in America, will be a thoroughly representative one, and will include the development of plans of fifty or more American municipalities, as well as similar plans of many South American, Canadian, French, German and English cities. In order that the community may properly know of this exhibition and of its wide scope and character, it is desirable that adequate publicity should be given to it.

As the exhibition is to begin May 15th, prompt action is necessary, and I ask your immediate action upon this resolution.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

—

RESOLUTION

Of request to the City Controller to countersign warrants for the compensation and expenses of a publicity agent of the exhibition of City plans, and suspending Joint Rule No. 30 of the Select and Common Councils.

APPENDIX No. 206.

Philadelphia, April 13, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred a communication from the Director of the Department of Public Works, relative to the paving of Baltimore avenue, from Fifty-third to Fifty-fourth street, respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Chas. Seger, Frank H. Caven (for report), Chas. A. Gillingham, John H. Hahn, Watson D. Upperman, Walt. T. Sykes, Alfred Gratz, E. B. Gleason, Jno. P. Connelly, C. E. Connell, Thos. J. Morton, Peter E. Costello, John F. Flaherty, Chas. R. Campbell, G. W. Kucker.

AN ORDINANCE

To authorize, the Director, Department of Public Works, to draw, and the City Controller to countersign, warrant in favor of W. A. Ryan for paving Baltimore avenue, from Fifty-third to Fifty-fourth street.

WHEREAS, These Councils, by ordinance approved April 12, 1909, authorized the paving of Baltimore avenue, from Fifty-third to Fifty-fourth street, with vitrified fire clay or shale blocks, the cost of the paving in front of the abutting properties to be borne by the property owners;

AND WHEREAS, There being doubt as to the liability of the property owners for the cost of the paving on account of the bed of the street having formerly been occupied by a turnpike company and afterwards maintained by the City, W. A. Ryan, at the request of the City authorities, did said work;

AND WHEREAS, Sufficient money has been set aside upon the contract to cover the cost of the entire paving, including intersections and in front of unassessable property.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to draw, and the City Controller to countersign, warrant in favor of W. A. Ryan in the sum of two thousand and seventy-two (2,072) dollars and fifty-nine (59) cents to pay for the paving heretofore done on Baltimore avenue, from Fifty-third street to Fifty-fourth street; to be taken out of Item 34 (loan) (Bureau of Highways), for paving intersections and in front of unassessable property, the bills for said paving to be made out against each of the abutting owners and sent to the City Solicitor for collection or lien.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 207.

Philadelphia, April 13, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance recognizing and approving the claim of Edwin H. Vare for one hundred and seven thousand seven hundred and four (107,704) dollars for cleaning the streets and inlets and collecting ashes and waste, from January 1, 1910, to December 31, 1910, and directing the payment of the said claim, and authorizing and directing the return to said Edwin H. Vare of bonds of the City of Philadelphia, heretofore duly deposited by said Edwin H. Vare as security for the performance of the street cleaning con-

tract for the year 1910," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R., C. McAllister (*Ch'n*), Chas. Seger, Frank H. Caven, Chas. A. Gillingham, John H. Hahn, Watson D. Upperman, Walt. T. Sykes, Alfred Gratz, E. B. Gleason, Jno. P. Connelly, C. E. Connell, Thos. J. Morton, Peter E. Costello, John F. Flaherty, Chas. R. Campbell, G. W. Kucker.

AN ORDINANCE

Recognizing and approving the claim of Edwin H. Vare for one hundred and seven thousand seven hundred and four (107,704) dollars for cleaning the streets and inlets and collecting ashes and waste, from January 1, 1910, to December 31, 1910, and directing the payment of said claim, and authorizing and directing the return to said Edwin H. Vare of bonds of the City of Philadelphia heretofore duly deposited by said Edwin H. Vare as security for the performance of the street cleaning contract, for the year 1910.

WHEREAS, The Director of the Department of Public Works, during the month of November, 1909, advertised for bids for cleaning the streets and inlets and collecting the ashes and waste in the City of Philadelphia for the year commencing January 1, 1910;

AND WHEREAS, When the bids were duly received, opened and scheduled it was found that Edwin H. Vare was the lowest responsible bidder, whereupon his bid was accepted on or about December 7, 1909;

AND WHEREAS, The said Edwin H. Vare did everything which he was required to or could do in order to have the contract for said work executed before January 1, 1910, and was at all times ready to execute the same and give the necessary bond on or before said date;

AND WHEREAS, The City officials did not execute the contract for said work until on or about February 18, 1910;

AND WHEREAS, The said Edwin H. Vare, relying upon the acceptance of his bid and the award of the contract to him, and recognizing that it was essential to the health and comfort of the citizens that the streets and inlets should be cleaned and the waste and ashes should be removed, beginning January 1, 1910, and under direction of the proper municipal authorities, proceeded to and did such work, notwithstanding the fact that no written contract therefor had been entered into between him and the City of Philadelphia;

AND WHEREAS, By bill in equity filed in C. P. No. 4, of December Term, 1910, No. 807, it was alleged that the said Edwin H. Vare was not entitled to be paid for the work so done by him between January 1, 1910, and February 18, 1910, for the reason that there was not a written contract for the work prior to said last mentioned date, which complaint was sustained solely because of that technical objection;

AND WHEREAS, The said Edwin H. Vare has been paid all but one hundred and seven thousand seven hundred and four (107,704) dollars for the said work of cleaning the streets and inlets and collecting the ashes and waste of the City of Philadelphia for the year 1910;

AND WHEREAS, It is just and equitable that the said Edwin H. Vare should be paid for his said work; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works is hereby authorized and directed to issue, the City Controller to countersign, and the City Treasurer to pay, a warrant or warrants in favor of said Edwin H. Vare, for one hundred and seven thousand seven hundred and four (107,704) dollars, in full settlement for the balance of all of said work of cleaning streets and inlets and collecting ashes and waste for the entire year commencing January 1, 1910, and ending December

31, 1910, said payment to be made out of the moneys heretofore appropriated for the doing of said work; and the City Treasurer is further hereby authorized and directed to return to the said Edwin H. Vare the bonds of the City of Philadelphia, to the amount of one hundred and thirty thousand (130,000) dollars, heretofore duly deposited by the said Edwin H. Vare as security for the performance of the said contract.

M. and seven P. M.; that notice of said election shall be given by the Mayor of the municipality, by weekly advertisements in not exceeding three newspapers of the said City during at least thirty days prior to the said election, which notice shall contain a statement of the amount of the last assessed valuation of the taxable property of the said City, the amount of the existing debt, the amount and percentage of the proposed increase, and the purposes for which the indebtedness is to be increased. And the City Commissioners are hereby authorized and directed to prepare and distribute the necessary ballots, ballot boxes and other articles, and to take such other action as may be required for the holding of such election, as provided for in the laws of the State of Pennsylvania governing the increase of indebtedness of municipalities and the holding of elections therefor.

SECT. 2. That the sum of eighty-five thousand (85,000) dollars be, and the same is hereby appropriated to the City Commissioners, to Item 46 (new), for the expenses of the election provided for in Section 1 of this ordinance.

APPENDIX No. 209.

Philadelphia, April 13, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to amend the ordinance approved November 1, 1910, to authorize the paving of Bailey, Bonsall, Cantrell, Courtland and other streets,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

AN ORDINANCE

To amend the ordinance approved November 1, 1910, to authorize the paving of Bailey, Bonsall, Cantrell, Courtland and other streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinance approved November 1, 1910, entitled “An Ordinance to authorize the paving of Bailey, Bonsall Cantrell, Courtland, Cecil, Fitzwater, Felton, Fifth, “I.” League, Stillman, Taney, Cedar, Mascher, Sigel, Marvine, Twelfth, Camac, Clearfield, Water and Webster streets, Osage, Park, Cedar and Trenton avenues,” be altered and amended in so far as it relates to the paving of the unpaved portion of Camac street, from Sedgley avenue to Allegheny avenue, and south side of Clearfield street, from Twelfth street to Thirteenth street, so as to authorize the paving of the unpaved portion of Camac street, from Sedgley avenue to Allegheny avenue, and the south side of Clearfield

street, from Twelfth street to Thirteenth street, with best quality of refined natural asphalt, instead of granite blocks.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 210.

Philadelphia, April 13, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to permit J. M. H. Walters to construct coal chutes in Master street, east of Thirty-first street,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

Jno. P. Connelly (*Ch’n*), John Bethke, George W. Zane, H. A. Mackey, Jos. R. C. McAllister, Thos. J. Morton, Wm. H. Cross, Fred. Schwarz, Jr., Chas. A. Gillingham, John J. McKinley, Isaac D. Hetzel, Edw. W. Patton, H. J. Trainor, Wm. J. Harrington, George D’Antrechy.

AN ORDINANCE

To permit J. M. H. Walters to construct coal chutes in
Master street, east of Thirty-first street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to J. M. H. Walters to construct a coal chute about twelve inches in diameter in the south side of Master street at a point about one hundred and forty feet eight inches east of Thirty-first street, and extending from center of Pennsylvania Railroad tracks on the south side of Master street into property of said J. M. H. Walters; also, to construct a coal chute about twelve

inches in diameter in the south side of Master street at a point about one hundred and ninety-six feet two inches east of Thirty-first street and extending from three feet inside of curb line on Master street into property of J. M. H. Walters; the said chutes to be constructed under the supervision and to the satisfaction of the Department of Public Works in accordance with plans to be approved by the Board of Highway Supervisors. Before exercising any privilege under this ordinance, the said J. M. H. Walters shall enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the construction and maintenance of said chutes, and agreeing to remove the same and restore the street to its present condition upon the passage of an ordinance to that effect; and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance.

APPENDIX No. 211.

Philadelphia, April 13, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to permit the Board of Trustees of the Medico-Chirurgical Hospital in the City of Philadelphia to lay six pipes under and across Cherry street, west of Seventeenth street,” respectfully report that we have examined and approve the same, and submit for your consideration the annexedannexed ordinance and ask its passage.

Jno. P. Connelly (*Ch’n*), John Bethke, George W. Zane, H. A. Mackey, Jos. R. C. McAllister, Thos. J. Morton, Wm. H. Cross, Fred. Schwarz, Jr., Chas A. Gillingham, John J. McKinley, Edw. W. Patton, H. J. Trainer, Wm. J. Harrington, George D’Autrechy.

AN ORDINANCE

To permit the Board of Trustees of the Medico-Chirurgical Hospital, in the City of Philadelphia, to lay six pipes under and across Cherry street, west of Seventeenth street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to the Board of Trustees of the Medico-Chirurgical Hospital, in the City of Philadelphia, to lay steam, electric and water pipes, six in all, under and across Cherry street, at a point about two hundred feet west of Seventeenth street, from the north to the south side, for the purpose of connecting their two buildings on opposite sides of said street. Each of the said pipes shall be encased in extra heavy cast iron pressure pipe with caulked joints. The said pipes shall be laid exclusively for their own use and under the supervision of the Departments of Public Works and Public Safety in accordance with plans to be approved by the Board of Highway Supervisors. Before exercising any privileges under this ordinance, the said Board of Trustees of the Medico-Chirurgical Hospital, in the City of Philadelphia, shall enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the laying and maintenance of the said pipes and to remove the same at any time upon the passage of an ordinance to that effect.

APPENDIX No. 212.

Philadelphia, April 13, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize the laying of two rows of granite blocks

adjacent to railway tracks where streets are authorized to be paved or repaved with asphalt and to provide for payment therefor," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

Jno. P. Connelly (*Ch'n*), John Bethke, George W. Zane, John W. Whitaker, H. A. Mackey, Jos. R. C. McAllister, Thos. J. Morton, Wm. H. Cross, Fred. Schwarz, Jr., Chas. A. Gillingham, John J. McKinley, Isaac D. Hetzell, Edward W. Patton, H. J. Trainer, Wm. J. Harrington, George D'Autrechy.

AN ORDINANCE

To authorize the laying of two rows of granite blocks adjacent to railway tracks where streets are authorized to be paved or repaved with asphalt, and to provide for payment therefor.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized and directed to lay two rows of granite blocks adjacent to the rails on streets occupied by railway tracks wherever or whenever streets are authorized to be paved or repaved with asphalt, and the specifications for paving or repaving streets with asphalt shall contain a clause specifying that two rows of selected eastern granite blocks upon cement concrete foundation shall be laid adjacent to the rails on streets occupied by railway tracks.

SECT. 2. Wherever and whenever a street occupied by railway tracks is authorized to be newly paved with asphalt, the cost of the laying of the granite blocks adjacent to the rails, as specified in section one of this ordinance, shall be assessed against the abutting property owners in addition to the cost of the paving with asphalt except at intersections or in front of unassessable property, when the cost of the laying of said granite blocks adjacent to rails shall be paid for out of the item for paving intersections and in front of unassessable property in the

appropriation to the Department of Public Works, Bureau of Highways.

SECT. 3. Wherever a street occupied by railway tracks has heretofore been authorized to be paved or repaved with asphalt and bids have been received and contract awarded without a specific price being bid for paving with granite blocks adjacent to rails, the Department of Public Works is hereby authorized and directed to measure said granite blocks as a part of and as contingent work to the asphalt pavement and include same in the assessment bills or in the bills to be paid by the City, at the contract price for paving or repaving with asphalt.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 213.

Philadelphia, April 13, 1911.

RESOLUTION

Authorizing and directing the Clerks of Councils to draw, and the City Controller to countersign, a certain warrant, and that Joint Rule No. 30 of the Select and Common Councils be suspended.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Clerks of Councils are

hereby authorized and directed to draw, and the City Controller to countersign, a warrant in favor of Gans Brothers, for one thousand copies of Brown's Philadelphia Digest and Supplement thereto, at two (2) dollars each per copy; total, two thousand (2,000) dollars, to be charged against Item 7 in the annual appropriation to the Clerks of Councils, for the year 1911, and that Joint Rule No. 30 of the Select and Common Councils be, and the same is hereby suspended so that the Clerks of Councils may present this resolution to the Mayor for his approval or disapproval.

APPENDIX No. 226.

RESOLUTION

Of request to the City Solicitor to furnish Councils with an opinion as to the right of the West Philadelphia Passenger Railway Company to acquire tracks or construct a trolley system under the Act of April 8, 1858, without a specific authorization by the municipal authorities.

WHEREAS, On March 30, 1911, the West Philadelphia Passenger Railway Company notified Councils of its intention, under the Act of Assembly approved April 8, 1858, "to *acquire*, lay and maintain double tracks with overhead trolley system on Eastwick avenue, from Ninety-second street to the County line. The said construction of the line or road shall be under and subject to the ordinance of April 1, 1891;" therefore

Resolved, By the Select and Common Councils of the City of Philadelphia, That the City Solicitor be requested to furnish Councils with an opinion as to the right of the said West Philadelphia Passenger Railway Company to "acquire" tracks under the provisions of the Act of April 8, 1858, or to construct a trolley system without a specific authorization by the municipal authorities; and whether the ordinance approved April 1, 1891, has any application excepting to such tracks as may have been laid at the time of its passage.

APPENDIX No. 230.

Philadelphia, April 27, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance authorizing the Philadelphia Rapid Transit Company to issue and negotiate ten million (10,000,000) dollars of five per cent. gold bonds, and in connection therewith consent to the guaranteeing of the principal and interest of said bonds by the Union Traction Company of Philadelphia; the increasing of the capital stock of the Market Street Elevated Passenger Railway Company; the pledging as security for said bonds all of the equity and interest in the Market Street Elevated Passenger Railway Company, whether represented by stock, leasehold interest or otherwise; the assignment and transfer to the Union Traction Railway Company of Philadelphia as owner of all of the equities and interests in street railway properties which the Philadelphia Rapid Transit Company has heretofore acquired, and such additional equities and interests as it may hereafter acquire by the expenditure of the proceeds of the bonds authorized hereunder,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

A public meeting of the Committee was held to give the friends and opponents of the measure an opportunity to be heard on the afternoon of April 12, 1911. Among others who appeared were Messrs. Edward T. Stotesbury, Chas. O. Kruger, President of the Philadelphia Rapid Transit Co., and T. E. Mitten, a railroad expert.

At the request of the Committee, the gentlemen reduced their remarks to writing. President Kruger's letter was as follows:

“To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

“GENTLEMEN:—A large majority of the stockholders of the Philadelphia Rapid Transit Company, and its lessor, the Union Traction Company of Philadelphia, presented a petition some time since to Mr. E. T. Stotesbury, of this City, asking him to take a position on the Board of Directors of the Philadelphia Rapid Transit Company, with such associates as he might name, and become the controlling voice in the management.

“Mr. Stotesbury's reply to this petition was substantially to the effect that he would do this provided, first, provision could be made for financing the capital requirements of the Company for at least five years in the future; and, secondly, it could be shown that the Company already had resources to take care of any deficits in operation and any necessary replacements which could not be charged to capital account during this period.

“As a result of these negotiations, a very careful audit has been made of the Company's affairs from July 1, 1902, to December 31, 1910, which has been conducted by Messrs. Vollum, Fernley, Vollum and Rorer, the experts selected by your Honorable Bodies to supervise our accounts under the contract of July 1, 1907. The result of this examination has been a restatement of our accounts, a copy of which is enclosed herewith. Any explanation of the reasons for this restatement which you desire will doubtless be furnished you by your own accountants. Their recommendations have received the approval of the stockholders of the Philadelphia Rapid

Transit Company, and the books will be kept along these lines in the future unless objection should be made on the part of the City.

“To carry out the plan for a change in the general management of the Company, it was necessary to secure the Union Traction Company’s credit to assist in the financing. This the stockholders of that company have authorize its Directors to give, subject to certain conditions referred to hereafter. The assent of the City of Philadelphia is also required, under the contract of July 1, 1907. We have therefore drafted an ordinance which has been submitted to the parties in interest, evidencing such consent, and we send it to you, asking the consideration of it by your Honorable Bodies and favorable action as promptly as is consistent with a proper examination and consideration of the question.

“We may add that street railway experts who have examined the property have advised that in their opinion by the expenditure during a period of five years of the proceeds of the ten million (10,000,000) dollars of bonds, the issue of which you are now asked to approve, the service which the Company gives to the public can be improved to such an extent that it will enable the Company to make sufficient earnings to meet all of its fixed charges, to maintain fully the property and leave a surplus to establish its financial credit. The plan for the raising of the ten million (10,000,000) dollars is as follows:

“The Philadelphia Rapid Transit Company will issue its gold bonds, to bear interest at the rate of five per cent. per annum, and for such term and subject to such conditions as may be agreed upon; the principal and interest of these bonds to be guaranteed by the Union Traction Company of Philadelphia, and secured by a deposit of all the equity in the Market Street Elevated Passenger Railway Company. The equity is at present all the leasehold interest in the property, the total capital stock of the property, and advances of cash for its construction, for which stock has not yet been issued. It seems advisable that this indebtedness should be taken up by a fur-

ther increase of stock, so that the stock and bonds of the Market Street Elevated Passenger Railway Company will then represent the actual cost of the property, or about \$20,000,000. The lease can then be so amended as to give the Philadelphia Rapid Transit Company all of the earnings of the property without any additional rental or fixed charge, so long as there is no default by the Philadelphia Rapid Transit Company in the payment of the interest and sinking fund charges of the proposed bond issue of ten million (10,000,000) dollars and on its other obligations. All of the stock of the Market Street Elevated Passenger Railway Company will then be deposited with the Trustee as security for the said proposed issue of bonds. The Union Traction Company of Philadelphia has made it a condition for guaranteeing the said issue of bonds of the Philadelphia Rapid Transit Company that the interests of the last named company in the Market Street Elevated Passenger Railway Company, and any other properties which the Philadelphia Rapid Transit Company has acquired since leasing the Union Traction System, in 1902, shall be transferred to it and become a part of its system and subject to the lease between the companies, dated July 1, 1902, thus assuring the integrity of the whole street railway system here, whatever changes in operative control may occur, and that in so far as any of the proceeds of the said issue of ten million (10,000,000) dollars of bonds shall be expended upon property other than the property covered by the lease (as, for instance, in the acquisition of new property), such other property shall be likewise made a part of the Union Traction System as counter-security for its guarantee, to be returned, however, to the Philadelphia Rapid Transit Company upon its being relieved of that guarantee. All these matters require the assent of the City of Philadelphia under the contract. The form of the ordinance enclosed herewith has the approval of counsel for all the parties in interest. As the whole plan looks to the establishment of a very much better service to the citizens, and the chance of a better return from the operation of the Philadelphia Rapid Transit

Company, we are hopeful that we will get the assent needed from your Honorable Bodies.

"We will be glad to furnish you with any further information on the subject that you may desire.

Very respectfully yours,

CHAS. O. KRUGER,
President."

Mr. Stotesbury's letter was as follows:

"HON. J. R. C. McALLISTER,
Chairman, Finance Committee of Councils,
City of Philadelphia.

"DEAR SIR:—In response to the request of your Committee, as contained in their resolution of April 5th, I transmit herewith, for your information, a review of my conclusions arrived at after conference with Mr. T. E. Mitten, of Chicago, who, at my instance, has made a careful investigation into the affairs of the Philadelphia Rapid Transit Company.

"As you are no doubt aware, the task of improving the street car service of Philadelphia has not been one of my seeking and has only been considered by me in the interest of the public welfare.

"After receiving the petition in October last, requesting that I enter the Board of Directors of the Philadelphia Rapid Transit Company, with such associates as I might select, and thereafter "control the policy and business of the Company," I determined that additional capital would be required, to provide which a new bond issue of \$10,000,000 should be created.

"As you know, all the details concerning this bond issue have been satisfactorily arranged, and the published report of the Company's condition as of December 31, 1910, submitted by Vollum, Fernley, Vollum & Rorer, chartered accountants, shows that \$1,500,000 in current assets has been set aside for renewals, as per my requirements.

"The plans and policies as outlined in Mr. Mitten's communication herewith are those which, in my opinion, should be followed.

Respectfully submitted,

E. T. STOTESBURY."

Mr. Mitten's letter was as follows:

"MR. E. T. STOTESBURY,
Philadelphia.

"DEAR SIR:—In response to the request of his Honor, Mayor John E. Reyburn, and the resolution of the Committee on Finance, of Councils, I have, at your suggestion, prepared and now submit herewith a review of the conclusions reached by us as the result of my investigation.

"Actuated in this matter solely by the desire to promote public welfare, and having been requested by all parties in interest to undertake the up-building of the traction system, it is at once apparent that to properly effect your purpose the plans and policies to be pursued must be such as will serve to not only improve and enlarge the facilities of the Company to the end that it may satisfactorily transport its passengers, but that the City's interest in the property, as prescribed in the agreement of 1907, may be fully protected, thereby meriting the respect and confidence of the public.

"The agreement with the City, effective July 1, 1907, provides for a monthly payment of certain sums by the Company, constituting a sinking fund, which, at the expiration of the present ordinance, June 30, 1957, should, with its accumulations, be sufficient to enable the City to exercise its option and purchase the capital stock of the Philadelphia Rapid Transit Company at par.

"The \$30,000,000 derived from the Philadelphia Rapid Transit Company's stock issue, which was paid in at par, has now been fully expended, and while not so expressly stated in the agreement, it was, nevertheless, clearly intended that the property represented by this ex-

penditure should be maintained intact and renewed from time to time out of the Company's earnings, and not from the proceeds of new securities.

"To insure the proper maintenance and renewal of the property an annual expenditure of an amount equaling 15 per cent. of gross earnings is considered necessary. The expenditure in this regard has not heretofore been in excess of an amount equaling 12 per cent. of the gross earnings, the result being evidenced in the gradual depreciation of the physical property. The earnings of the Company are not as yet sufficient to bear the cost of operation, including this 15 per cent., in addition to the payment of its fixed charges; the shortage for the current year ending June 30, 1911, in this regard, will be in excess of \$600,000. To meet this and the estimated shortage of the two succeeding years, a fund of \$1,500,000 in current assets has been set aside as per your requirement. This, when used, will entirely exhaust the present available current assets of the Company.

"The earnings for the year ending June 30, 1914, as estimated, should be sufficient to bear the 15 per cent. cost for maintenance and renewals, the increased fixed charges due to the introduction of new capital at the rate of \$2,000,000 annually, and also pay the contribution to the sinking fund, as required by the City agreement.

"The earnings for the year ending June 30, 1915, and thereafter, as estimated, should be sufficient to pay all costs, including fixed charges, and the allowance for maintenance and renewals as aforesaid, and in addition thereto, produce an annually increasing surplus, excepting only as this estimate may be interfered with by unforeseen contingencies, the building of unremunerative extensions or the assumption of like burdens entailing additional costs.

"The results as estimated are based upon a 4 per cent. annual increase in gross earnings; the actual increase, 1902 to 1909, was at the rate of 4.2 per cent. per annum.

"The rate of fare under the city agreement as now interpreted requires the payment of five cents, with an additional three cents for an exchange ticket, and the main-

tenance of 210 transfer points at which a continuation of the five cent ride is given by the issuance of a transfer ticket without the payment of additional fare. These rates are considered as fixed, no change being permissible under the agreement without the consent of both parties.

"It has not been estimated that the present cost of operation can be materially decreased, the economies resulting from the introduction of larger cars being practically offset by the cost of improved service due to the greatly increased seating capacity which will be necessary in order to properly serve the public during the hours of heaviest traffic, and the annual increase in wages of trainmen, as already promised by the Company in its published notice, recently arbitrated. It must be borne in mind, however, that as the more scientific management of the property and increased efficiency of the employees result in increased earnings, the scale of wages paid should be correspondingly advanced.

"Of the 15 per cent. of gross earnings heretofore mentioned as necessary to appropriate for maintenance and renewals, approximately 10 per cent. will be expended in ordinary maintenance; an amount equaling 5 per cent. of gross earnings, being a sum in excess of \$1,000,000 per annum, is thus available for the purpose of replacements and renewals.

"Barring unforeseen contingencies, the realization of this estimate, which is reasonably conservative, will enable the Company to pay interest on \$2,000,000 new capital annually, and with the aid of the \$1,500,000 now set aside for that purpose, as aforementioned, carry out the spirit and intent of its agreement with the City by maintaining the physical integrity of the property out of earnings and without the issuance of additional securities therefor.

"The proposed \$10,000,000 bond issue would, if marketed at an average price of 96, produce \$9,600,000, of which approximately \$1,600,000 will be required to pay present outstanding capital obligations which mature during the next five years, leaving an amount approximating \$8,000,000 available for the capital requirements of the Company.

"The funds available for the purpose of completing the rehabilitation which will constitute both the renewal of present property and the acquisition of new and additional property, during the five year period ending June 30, 1916, will be as follows:

"Net proceeds of bonds after deducting \$1,600,000 to pay maturing obligations, as aforementioned, approximately	\$8,000,000
"From earnings, through renewal account, approximately	5,500,000
"Total available	<u>\$13,500,000</u>

"It is estimated that the work to be completed during the above five year period will be as follows:

"1,300 cars of the most modern type, with cross seats and center aisles, having nearly double the seating capacity, will be re- quired to replace present equipment, at an estimated cost of	\$6,500,000
"150 miles of heavy standard track will be required to replace wornout tracks where a lighter type of rail has proven inade- quate. This at an estimated cost of.....	4,500,000
"Total cost	<u>\$11,000,000</u>

"Approximately one-half of this amount, say \$5,500,000, represents the additional cost of the new cars and track over that which is to be replaced, and therefore is a proper charge to capital account.

"The remaining \$5,500,000 should be charged against current earnings through the renewal account, the Company thereby maintaining the physical integrity of the property out of the earnings, as it should.

"After the deduction of \$5,500,000 for capital expenditures, as above, there should remain about \$2,500,000 available for other improvements, including additional power requirements and extensions.

"The proper development of an adequate power supply and the charges for new track connections incident to the scientific re-routing of car lines, both of which must be immediately undertaken, will consume such a large por-

tion of this available \$2,500,000 as to make it unsafe to undertake extensions in excess of those here listed and which are now considered necessary of construction.

“Extensions to be Now Constructed:

“Twenty-ninth street, from Columbia avenue to Ridge avenue, with connections at York street and at Dauphin street.....	\$33,650
“Twenty-second street, from Montgomery avenue to Ridge avenue; Twenty-first street, from Ridge avenue to Montgomery avenue; Twenty-second street, from Susquehanna avenue to York street	28,658
“Nineteenth street, from McKean street to Passyunk avenue	7,011
“Nineteenth and Twentieth streets, between Passyunk avenue and Porter street; also, along Porter street, between Nineteenth and Twentieth streets	24,241
“Snyder avenue, from Front street to Twenty-third street	135,440
“Total estimated cost.....	<u>\$229,000</u>

“Extensions and additions to property not embraced herein will necessarily require the issuance of additional securities, and only such should be undertaken within the next three year period as will add a sufficient amount to the gross earnings of the Company to pay the increased cost of operation, together with interest on the added investment.

Respectfully yours,

T. E. MITTEN.”

Subsequently a Sub-Committee was appointed to get more definite information from the officials of the road, and as a result the following additional letter was sent by Mr. Kruger.

"PHILADELPHIA RAPID TRANSIT CO.

Philadelphia, April 25, 1911.

"MR. J. R. C. McALLISTER,

Chairman, Finance Committee,

Select and Common Councils,

City of Philadelphia.

"DEAR SIR:—As requested by you at our interview yesterday, I take pleasure in handing you herewith a detailed statement of the refunding items which, during the period ending June 30, 1916, amount to \$1,543,680. This item, for the purposes of Mr. Mitten's estimate, was taken at the round figures of \$1,600,000.

"You will note from this estimate that we have not included as a capital charge the payments into the sinking fund with which the City will eventually acquire this property, which payments Mr. Stotesbury insists must, under the contract, be made out of the current revenues of the Company.

"We have also given careful thought to your suggestion that a more detailed statement of the policy of the Company and the proposed expenditures of the proceeds of the bonds should be laid before you.

"As to the general policy of the Company, we may say that this management is in thorough accord with Mr. Stotesbury's proposed policy, to use the proceeds of the present issue of bonds in such manner as will give to the City of Philadelphia the best possible transportation facilities. The extensions mentioned in Mr. Mitten's letter will be undertaken and pushed to completion immediately after the present plan of financing has been approved by the Councils, and the Company accepts as fixed the present system of fares, exchanges and transfers, and will not make

any change in the number of transfer points, or in its present exchange system and basic fare charges without the formal consent of Councils, as required by City contract.

"In regard to your suggestion that a detailed statement shall be made of the proposed expenditure upon this property, we answer that the statement already furnished in Mr. Mitten's letter goes as far in the matter of detail as possible, when it is recognized that a five year period is under discussion with respect to a property which is subject to so many vicissitudes.

"We may say that the proceeds of the bonds are to be expended to such extent as may be found necessary in adding to the equipment and power of the Company and the general safety, convenience and efficiency of the system, according to the general plan outlined in Mr. Mitten's letter, in the hope and belief that the increased facilities and efficiency of the system will so stimulate travel as to rehabilitate the finances of the Company and enable it to provide for further extensions as required from time to time in the manner set forth in the contract of July 1, 1907.

Respectfully, etc.,

CHAS. O. KRUGER,
President and General Manager."

AN ORDINANCE

Authorizing the Philadelphia Rapid Transit Company to issue and negotiate ten million (10,000,000) dollars of five per cent. gold bonds, and in connection therewith consent to the guaranteeing of the principal and interest of said bonds by the Union Traction Company of Philadelphia; the increasing of the capital stock of the Market Street Elevated Passenger Railway Company; the pledging as security for said bonds all of the equity and interest in the Market Street Elevated Passenger Railway Company whether represented by stock, leasehold interest or otherwise; the assignment and transfer to the Union Traction Company of Philadelphia as owner of all of the equities and interests in street railway properties which the Philadelphia Rapid Transit Company has heretofore acquired, and such additional equities and interests as it may hereafter acquire by the expenditure of the proceeds of the bonds authorized hereunder.

WHEREAS. Under the contract of July 1, 1907, entered into between the City of Philadelphia and the Philadelphia Rapid Transit Company, it is provided, *inter alia*, that no increase of the capital stock or funded indebtedness shall be made by the Company, or any of its subsidiary companies, without the consent of the City; and further provides that the Company shall not, without such consent, part with any of its stocks, leaseholds or franchises;

AND WHEREAS, The Philadelphia Rapid Transit Company has requested consent under the said contract to a

plan of financing which provides for an increase of indebtedness of the Company, the increase of the capital stock of one of its subsidiary companies, the assumption of a liability by one of its subsidiary companies, and the parting with certain of its stocks and leaseholds, which consent Councils of the City of Philadelphia are ready to grant; therefore,

SECTION 1. *Be it ordained by the Select and Common Councils of the City of Philadelphia*, That the consent of the City of Philadelphia is hereby given to the Philadelphia Rapid Transit Company to increase its indebtedness by an issue of ten million (10,000,000) dollars of five per cent. gold bonds, secured by a mortgage or deed of trust containing such provisions, conditions and stipulations as may be approved by the Board of Directors of the Philadelphia Rapid Transit Company.

SECT. 2. Consent is further given to the Union Traction Company of Philadelphia, a subsidiary company of the Philadelphia Rapid Transit Company, as defined and referred to in the said contract of July 1, 1907, to become surety for and to guarantee the principal and interest of the said issue of bonds.

SECT. 3. Consent is further given to an increase in the capital stock of the Market Street Elevated Passenger Railway Company, being a subsidiary company as aforesaid, by an amount sufficient to take up all of the indebtedness of said Company and the issuing of said stock in cancellation of the same.

SECT. 4. Consent is further given to the Philadelphia Rapid Transit Company to assign, transfer and deliver to the Union Traction Company, as owner and lessor, all of the interest and equity which it has in the Market Street Elevated Passenger Railway Company, whether the same be represented by stock ownership, indebtedness, or leasehold interest; the whole of the said equity to be pledged with the Trustee for the said ten million (10,000,000) dollar bond issue as security for the payment of the principal and interest thereof. And consent is further given to the assignment, transfer and delivery by the

Philadelphia Rapid Transit Company to the Union Traction Company of Philadelphia, as owner and lessor, of all of the interest of the Philadelphia Rapid Transit Company in the Doylestown and Willow Grove Railway Company, the Darby and Yeadon Street Railway Company, and any other interests in street railway properties which the Philadelphia Rapid Transit Company may have acquired since the date of the lease of the Union Traction Company of Philadelphia (all of said leaseholds, stocks, advances, interests and equities so assigned to the Union Traction Company of Philadelphia as owner, to be retained by the Philadelphia Rapid Transit Company as lessee, without the payment of any further rental or charge whatsoever to the Union Traction Company of Philadelphia, in the same manner and subject to the same terms and conditions as if they had belonged to and been part of the system of the Union Traction Company of Philadelphia leased to the Philadelphia Rapid Transit Company on July 1, 1902). Like consent is given to the Philadelphia Rapid Transit Company to assign, transfer and deliver to the Union Traction Company of Philadelphia, as owner and lessor, under the terms and conditions above set out, any other property which may be acquired hereafter by the expenditure of the proceeds of the issue of bonds herein authorized; the interest of the Union Traction Company of Philadelphia in property so hereafter acquired, however, to continue only until the payment by the Philadelphia Rapid Transit Company of all of said bonds, when such hereafter acquired property shall be returned to and revert in the Philadelphia Rapid Transit Company. And in order to fix properly and define the interests of the respective parties in the properties so transferred, the parties may make such further agreements and leases touching the said properties as they may agree upon; provided, however, that no fixed charge, rental, payment or liability of any kind beyond that already existing with respect to any of said properties, or with respect to the Union Traction Company of Philadelphia shall be assumed otherwise than as hereinabove set forth by the Philadelphia Rapid Transit Company.

SECT. 5. Consent is further given to the Philadelphia Rapid Transit Company to adopt a different system of bookkeeping, including a re-valuation of its assets, subject, however, to the written approval of the Controller of the City of Philadelphia.

APPENDIX No. 231.

Philadelphia, April 27, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the completion of the bridge, including the work appurtenant thereto, on the line of Fifty-second street, over the Philadelphia and Baltimore Central Railroad; providing for carrying into effect such authority, and setting aside money to pay the cost of said bridge,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

AN ORDINANCE

To authorize the completion of the bridge, including the work appurtenant thereto, on the line of Fifty-second street, over the Philadelphia and Baltimore Central Railroad; providing for carrying into effect such authority, and setting aside money to pay the cost of said bridge.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain, That the Director of the*

Department of Public Works be, and is hereby authorized and directed to advertise for proposals, and to award contract, as provided in existing ordinances and laws, for the completion of the bridge on the line of Fifty-second street, over the Philadelphia and Baltimore Central Railroad, including work appurtenant thereto, in accordance with plans and specifications to be prepared by the Department of Public Works (Bureau of Surveys); and he is also authorized to appoint assistants and inspectors as may be requisite, and to pay all expenses for salaries, soundings, inspection, tests, transportation and incidental expenses not otherwise provided for, out of the appropriation for the cost of said work.

SECT. 2. That the sum of thirty-five thousand (\$35,000) dollars be set aside from the unexpended balances in Items 16 and 26 of the annual appropriation to the Department of Public Works (Bureau of Surveys), for the construction of new bridges, to pay the cost of completing said bridge and the work appurtenant thereto, as authorized under Section 1.

APPENDIX No. 232.

Philadelphia, April 27, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill authorizing the placing on the City plan of Point Breeze avenue, seventy feet wide, to extend from the intersection of Point Breeze avenue and Mifflin street to Passyunk avenue at a point near Twenty-seventh street, respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

Kelley, James H. McGurk, H. A. Mackey, Chas. R. Campbell, H. J. Trainer, Harry C. Ransley, Wm. Boal, Jno. D. Powers, Albert De Prefontaine, Saml. K. Stinger.

AN ORDINANCE

To authorize the placing on the City plan of Point Breeze avenue, seventy feet wide, to extend from the intersection of Point Breeze avenue and Mifflin street to Passyunk avenue, at a point near Twenty-seventh street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to place upon the City plan Point Breeze avenue, seventy feet wide, to extend from the intersection of Point Breeze avenue and Mifflin street to Passyunk avenue, at a point near Twenty-seventh street; also to make such revision in the lines and grades of adjacent streets as may be necessary.

APPENDIX No. 233.

Philadelphia, April 27, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill to revise the grades of Sanger street, between Tacony street and the Delaware river, respectfully report that the object of this revision is to provide sufficient covering over the proposed main sewer in Sanger street. Neither Sanger street nor the intersecting streets are open, and the proposed revision will cause no additional damage when the streets are opened. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

RESOLUTION

Of request to the Director of the Department of Public Works to permit W. Percival Johnson and James J. Moore to lay a temporary terra cotta drain on Wanamaker street, south from Lansdowne avenue.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Works be requested to permit W. Percival Johnson and James J. Moore to lay a temporary terra cotta drain on Wanamaker street, from Lansdowne avenue southward about one hundred and sixty-seven feet. The said drain to be laid under the supervision and to the satisfaction of the Department of Public Works (Bureau of Surveys), without expense to the City of Philadelphia, and shall not release the owner of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

APPENDIX No. 236.

DEPARTMENT OF LAW.

Philadelphia, May 4, 1911.

G. W. KOCHERSPERGER, Esq.,

Chief Clerk of Common Council.

DEAR SIR:—I am in receipt of a resolution entitled "Resolution of request to the City Solicitor to furnish Councils with an opinion as to the right of the West Philadelphia Passenger Railway Company to acquire tracks or construct a trolley system, under the Act of April 8, 1858, without a specific authorization by the municipal authorities."

The resolution requests an opinion as stated in the title above mentioned; and also, whether the ordinance approved April 1, 1891, has any application excepting to such tracks as may have been laid at the time of its passage.

The Act of April 8, 1858, P. L., 226, authorized the West Philadelphia Passenger Railway Company to extend its road to any part of the Twenty-fourth Ward, in the City of Philadelphia, along any of the public streets or highways thereof. It does not specifically give authority to acquire tracks of any other railway company. That question, however, is not material, as under Acts of Assembly the said company would have the right to acquire tracks already constructed, and it might very well be contended that if the tracks they propose to acquire are constructed upon a street or highway in the Twenty-fourth Ward, to which they could, under the Act of 1858, extend their tracks, such acquisition is practically the same as an extension of their present system.

The West Philadelphia Passenger Railway Company has no right to construct a trolley system without the consent of the municipal authorities. The ordinance of April 1, 1891, giving consent to the West Philadelphia

Passenger Railway Company to operate their system of overhead electric wires applied only to the system as it then existed or may have been since extended with consent of Councils. However, the Act of 1858 provides: "That said company shall first present to the Councils of said City a plan and statement, exhibiting the route of any such proposed extension; and if Councils shall not, within sixty days thereafter, by ordinance disapprove thereof, the consent of Councils shall be deemed to be given thereto."

It is in the power of Councils, within sixty days after application has been made to it, in accordance with the Act of 1858, to disapprove of the proposed extension or construction. If Councils, however, do not disapprove of it and under the Act its consent is thereby deemed to be given, it necessarily follows that as the West Philadelphia Passenger Railway Company in all other portions of its road is operating by overhead electric wires or trolley system, it would have the right to use that same system in the extension that Councils by not disapproving have authorized to be built.

Very truly yours,

JAMES ALCORN,
City Solicitor.

APPENDIX No. 237.

Philadelphia, May 4, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled "An Ordinance to make an appropriation to the Department of Public Works (Bureaus of Water, Surveys and Highways), and Department of Public Safety (Bureau of City Property), out of the two million three hundred thousand (2,300,000) dollar loan," respectfully report that they have carefully

AN ORDINANCE

To authorize the repaving of Watts and Moore streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized and directed to enter into contracts for the repaving of the following streets with best quality of refined natural asphalt, viz.: Watts street, from Reed to Morris street, without a sewer being first constructed in said street; and Moore street, from Sixteenth to Seventeenth street. The conditions of said contracts shall be that the contractors shall keep said streets in repair for five years after the paving is finished.

APPENDIX No. 254.

Philadelphia, May 4, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—In accordance with resolution, your Committee visited, first, the State Hospital for the Insane at Warren, Pa., where we were received by the Board of Trustees and the Superintendent, Dr. W. W. Hawke, who proceeded to conduct us through the institution, on which we report as follows:

The institution is built upon the direct connected ward plan, with the wards divided into single rooms and ward

dining rooms with additions for those added from time to time, for the purpose of the better study and treatment of classified cases, with amusement halls, work rooms and other additions for convalescing patients, sick patients and chronic senile cases. It was noted that the percentage of unclean cases was very small. The Committee particularly noted a new building erected for the housing of male and female attendants and nurses. The institution also maintains a very well-equipped training school for attendants, with a two years' course.

The Committee then visited Dixmont Insane Asylum, at Pittsburg, Pa., where we were received by the Superintendent, Dr. Hutchinson. This institution is very old, and is built upon the direct connected ward system. This is a much smaller institution than the one at Warren, accommodating about nine hundred patients. Dr. Hutchinson strongly advocates the classification of the insane cases, but is only able to do so in part owing to the lack of proper facilities. The Committee noted a new utility building about completed, which contains large congregate male and female dining rooms, kitchen, serving rooms, cold and dry storage, sufficient for the use of the entire institution. This building is connected with the main building by concrete corridors, which facilitate the handling of the patients without exposure to weather or possibility of escape.

The Committee then visited the State Hospital for the Insane at Massillon, Ohio, where we were received by Dr. Eyeman, Superintendent. This institution accommodates about fifteen hundred patients, and is constructed upon the so-called "cottage system." These buildings are scattered throughout the grounds at varying distances from each other and are divided into varying sized wards, accommodating from sixty to one hundred patients. These buildings are highly ornamental, being built of Ohio sandstone, Pompeian brick, Spanish tile and slated roofs. This institution depends almost entirely upon the congregate dining room system, which is located in a separate building some distance from the majority of the buildings. None of these buildings are of fire-proof con-

struction, the interior of the buildings being of wood joists and floors, and what is known as lath and plaster partition. These buildings are admirably adapted to the classification of patients, but are obviously disadvantageous when considering the question of transferring the patients in inclement weather from cottages to dining rooms, amusement halls and chapels. The patients are then exposed to the weather, which would necessitate frequent changing of clothes, thus entailing great expense of maintenance.

Your Committee then visited the Cleveland State Hospital for the Insane at Cleveland, Ohio, where we were received by the Superintendent, Dr. Clark. This institution is patterned very much after the Warren and Dixmont institutions, consisting of direct connected wards. These wards consist of individual bedrooms, dormitories and day rooms, with small ward dining rooms and a congregate dining room seating six hundred patients. The institution accommodates sixteen hundred patients and occupies eighty-three acres of land. Dr. Clark advocates and is provided with facilities for the proper classification of the insane cases, but the State of Ohio does not provide psychopathic wards for the complete study of doubtful insane cases. Neither does it provide any building for the care of alcoholics which are admitted as insane to the institution. This institution is provided with a large recreation building, fully equipped, containing bowling alleys, shuffle boards, pool tables and cigar store for the use of attendants and better class of patients, male and female.

In conclusion, and in view of the instruction gained by your Committee on this tour of inspection, we make the following recommendations:

That the new institution to be built for the care of the insane of the County of Philadelphia at Byberry shall be built upon a semi-detached ward system, consisting of administration building, observation or receiving ward, main wards in units of fifty patients to a ward and four wards to a building, each building two stories high, and as many buildings to be planned as will properly care for

the insane of Philadelphia County, all connected by corridors and tunnels.

We further recommend that the institution be equipped with congregate dining rooms except the infirmaries, wards for unclean and feeble cases, which are to have their own separate dining rooms, with proper capacity, kitchen building, utility building, laundry building, work shops, convalescing building, infirmaries, attendants' homes, recreation buildings, auditorium, chapels, power plant, surgical operating room, laundry, pathological laboratory and morgue.

We strongly recommend the erection of a separate house for the Superintendent, Chief Resident Physician, Assistant Physicians and Steward.

We further recommend in conclusion that plans be drawn and an estimated cost be obtained and money appropriated for the institution that is contemplated in this report, as the City of Philadelphia is now taking care of one thousand nine hundred and thirty patients outside its own institution.

Wilmer W. Trinkle (*Ch'n*), Wm. J. Crawford, Isaac Deutsch, Chas. G. Savage, Rolla Dance, James Clough, E. B. Gleason, John F. Flaherty, Henry J. Klos, John Bethke, Frederick H. Warner, John L. Dougherty, George D'Autrechy, F. J. Cummiskey, John H. Lock.

APPENDIX No. 255.

RESOLUTION

Of request to the Director of the Department of Public Works to permit Harry Schmitt to lay temporary terra cotta drains across Olney avenue at Sixth and Seventh streets.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Works be requested to permit Harry

Schmitt to lay temporary terra cotta drains across Olney avenue at Sixth and Seventh streets. The said drains to be laid under the supervision and to the satisfaction of the Department of Public Works (Bureau of Surveys), without expense to the City of Philadelphia, and shall not release the owner of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

RESOLUTION

Of request to the Mayor to return to Common Council, Common Council bill (Appendix No. 220) entitled "An Ordinance directing the Department of Public Safety to rearrange vacation schedules in the Electrical Bureau."

Resolved. By the Select and Common Councils of the City of Philadelphia, That the Mayor be, and he is hereby requested to return to Common Council, Common Council bill (Appendix No. 220) entitled "An Ordinance directing the Department of Public Safety to rearrange vacation schedules in the Electrical Bureau."

APPENDIX No. 258.

RESOLUTION

Authorizing the Director of the Department of Public Safety to draw, and the City Controller to countersign, certain warrants, and suspending Joint Rule No. 30 of Select and Common Councils.

Resolved by the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Safety be, and he is hereby authorized to draw, and the City Controller to countersign, warrants against Item 27, in the annual appropriation to the Department of Public Safety (Bureau of City Property), for labor and other expenses in the Philadelphia Brigade Park, at Antietam Battlefield, including transportation, freight and supplies, and that Joint Rule No. 30 of Select and Common Councils be, and the same is hereby suspended so that the Clerks of Councils may present this resolution to the Mayor for his approval or disapproval.

APPENDIX No. 259.

OFFICE OF THE MAYOR.

Philadelphia, May 4, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—In compliance with your resolution of recall, this day passed by your Honorable Bodies, I herewith return an ordinance entitled "An Ordinance direct-

ing the Department of Public Safety to rearrange vacation schedules in the Electrical Bureau."

Respectfully yours,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 260.

OFFICE OF THE MAYOR.

Philadelphia, May 4, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith an ordinance entitled, "An Ordinance to authorize the Mayor to enter into a contract for the construction of a Convention Hall in East Fairmount Park, north of Girard avenue, and authorizing the appointment of an architect to prepare plans and specifications and superintending the construction thereof." The early and favorable consideration of your Honorable Bodies is requested for this ordinance, in order that the construction of the Hall may be begun at as early a date as possible.

The necessity for the prompt beginning of the work, I believe, is well recognized by all, as the early completion of the building is highly desirable in order that it may be ready for the Saengerfest and other great conventions to be held in this City in 1912.

The appropriation has already been made for the starting of this work, and other funds are provided for in loan bills now pending. This ordinance, therefore, is only to give the necessary authorization required by law in order that the work may be promptly carried forward.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

AN ORDINANCE

To authorize the Mayor to enter into a contract for the construction of a Convention Hall in East Fairmount Park, north of Girard avenue, and authorizing the appointment of an architect to prepare plans and specifications, and superintending the construction thereof.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Mayor be authorized and directed to enter into a contract for the construction of a Convention Hall in East Fairmount Park, north of Girard avenue, with the contingent work of improving the surrounding grounds, etc.: *Provided*, That the consent of the Commissioners of Fairmount Park be first given for the location of said building in Fairmount Park.

SECT. 2. That the said contract shall contain a clause that the work authorized in Section 1 shall be paid for out of Item 26 in the appropriation to the Mayor, and from such other funds as shall be hereafter appropriated by these Councils for said work.

SECT. 3. That the Mayor is also authorized to appoint an architect to prepare plans and specifications and supervise the construction of said Convention Hall, and shall be paid the usual rate of commission for work of a similar character. The said commission to be charged against the appropriation for building the said Convention Hall.

APPENDIX No. 261.

OFFICE OF THE MAYOR.

Philadelphia, May 11, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith an ordinance appropriating five thousand (5,000) dollars to the Department of the Mayor, for the year 1911, to be used by the Commissioners authorized by your Honorable Bodies to negotiate for the acquirement of property along the line of the Parkway, in payment for certain options which have been offered to the City of Philadelphia whereby the City can secure certain properties that will be taken in the development of the Parkway.

This is a small appropriation, and I know that your Honorable Bodies will see the wisdom of passing the same at an early date, as the opportunity for accepting the options is about to expire, and unless they are taken up immediately by the City the properties in question may cost much more than the present price which the owners are willing to take for them. I therefore ask your immediate and favorable consideration of the enclosed ordinance. Of course, this money can be refunded by the Commissioners out of the money set aside in the loan bill for Parkway purposes.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

—

AN ORDINANCE

To make an appropriation of five thousand (5,000) dollars to the Department of the Mayor, for the year 1911.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain, That the sum of five thou-*

sand (5,000) dollars be, and the same is hereby appropriated to the Department of the Mayor, Item 38 (new), for the care and maintenance of the Parkway and for the acquirement of property necessary for the development thereof.

APPENDIX No. 262.

OFFICE OF THE MAYOR.

Philadelphia, May 11, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—On May 19, 1910, I transmitted to your Honorable Bodies a message recommending the establishment of a Division of Child Hygiene as a part of the Department of Public Health and Charities, and requesting an additional appropriation to that Department for the year 1910 of five thousand four hundred (5,400) dollars for the payment of salaries of a supervising nurse and eight visiting nurses, in order to properly care for children, and in particular infants, during the summer months.

The Division of Child Hygiene established at Chestnut and Race Streets Piers open-air hospitals for the care of infants, three trained nurses being placed on duty at each pier for a period of three months. The results obtained have amply justified the establishment of these hospitals, and have been very encouraging to the Director of the Department of Public Health and Charities and others interested in this work. In addition, the municipal nurses devoted their energies to the Second, Third, Fourth and Fifth Wards, making a total of 28,185 visits, while the recreation piers, from August 5th to October 3d, cared for 8,041 children.

The general result is best shown by the fact that the general mortality during the year increased eight per cent. over the preceding year, while the mortality in those

wards visited by the nurses decreased three per cent., the infant mortality during the summer being forty per cent. less in the wards mentioned, as compared with the preceding year.

The value of this service and the great saving of life accomplished by the efforts of those interested is ample warrant for the continuance of the open-air hospitals on the Chestnut and Race Streets Piers, during the coming summer, on a liberal and generous scale, and I accordingly recommend to your Honorable Bodies that an appropriation of five thousand (5,000) dollars be made toward this object. It is the intention of the Department not only to keep these hospitals open during the day, but at night as well; in this manner, it is believed, doubling the results obtained during the past year.

It is important that your Honorable Bodies and others interested in this work keep in mind the fact that out of sixty-four hospitals in the City of Philadelphia there are only eighteen having free beds for infants, and only one hundred and thirty-four (134) beds for this class of patients are available during the summer months. Further, many institutions do not care to handle this class of cases, owing to the high rate of mortality and the great degree of care necessary. Accordingly, the duty devolves upon the City, and the installation and maintenance of the twenty-four beds that will be afforded by this appropriation, I know insures your approval. Of course, it is necessary that the work be begun at an early date, and I urge prompt action on your part in order that the Department of Public Health and Charities can open the piers on or about June 15th.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 263.

OFFICE OF THE MAYOR.

Philadelphia, May 11, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I desire to call your attention at this time to a letter which was addressed to your Honorable Bodies, under date of the nineteenth of April, by Dr. Joseph S. Neff, Director of the Department of Public Health and Charities, requesting an appropriation of two thousand five hundred (2,500) dollars towards the defrayment of the expenses of the Philadelphia Milk Show, to be given under the auspices of the Department of Public Health and Charities, Milk Commission of the Philadelphia Pediatric Society, Veterinary Department of the University of Pennsylvania, and many other co-operating agencies. It is estimated that the cost of this exhibit will be seven thousand (7,000) dollars, \$4,500 being raised by private contributions.

As it means so much to the City of Philadelphia and to the preservation of the milk supply in the highest degree of quality, it is only fitting and proper that your Honorable Bodies make some public recognition of the immense benefit that it will mean, as pertaining to the most important, the most necessary and the most vital phase of the food supply of a great city. It means so much to the citizens in the preservation of their health and in the degree of comfort obtainable, to the realization of what their milk supply is and where it comes from, and that every effort is being made by the City of Philadelphia to maintain the highest possible standard, that your Honorable Bodies should co-operate in every way to further the movement.

It is a small appropriation, but it is one which will mean much to the exhibit, as it will mean possibly the difference between an exhibit limited in scope and one carried forward by its officials with the full assurance

that it is wide and general in its character, that it reaches all classes of citizens, and that it is conducted in the best possible manner commensurate with its value and usefulness to the citizenship of this City.

I therefore urge your Honorable Bodies' immediate and serious consideration of the letter addressed to you under date of April 19, and ask that this appropriation be made at an early date, in order that the exhibit may be conducted in a proper and fitting manner, with a resultant increase in benefit to the citizens of Philadelphia.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 264.

RESOLUTION

Granting permission to the Directors and members of the Kensington Driving Association of Holmesburg to occupy the race track at Holmesburg.

Resolved, By the Select and Common Councils of the City of Philadelphia, That permission be, and is hereby granted to the Directors and members of the Kensington Driving Association to occupy the old race track at Holmesburg for the balance of the year 1911: *Provided,* That the said association shall repair the fences and place the park in condition for use, and that they shall first pay into the City Treasury the sum of fifty (50) dollars for the privilege hereby accorded.

APPENDIX No. 265.

RESOLUTION

Of request to the Director of the Department of Public Works to permit Sol. H. Cohen to lay a temporary terra cotta drain in State road, from Madison avenue to Princeton avenue.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Works be requested to permit Sol. H. Cohen to lay a temporary terra cotta drain in State road, from Madison avenue to Princeton avenue. The said drain to be laid under the supervision and to the satisfaction of the Department of Public Works (Bureau of Surveys) without expense to the City of Philadelphia, and shall not release the owners of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

APPENDIX No. 266.

OFFICE OF THE MAYOR.

Philadelphia, May 18, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith for consideration by your Honorable Bodies an ordinance entitled “An Ordinance to repeal the ordinance entitled ‘An Ordinance to accept the bequests to the City of Philadelphia contained in the last will and testament of Meta Josephine Connor-Wood.’ approved the 29th day of March, 1909, and to decline to accept the said bequests.”

The paintings referred to in this ordinance have been examined by John G. Johnson, Esq., who advises against the exhibition of the paintings included in the bequest. We cannot expect to secure any of the great private collections for which Philadelphia is noted if they are to be hung beside a collection of inferior merit.

Should the City accept, it may have to pay collateral inheritance tax upon a much larger value than that estimated by Mr. Johnson, and in addition it may have to pay a considerable portion of the counsel fees which have been awarded by the Court to the attorneys of the executors of the estate of Meta Josephine Connor-Wood in a long-drawn-out contest over the validity of her will. The bequest of Mrs. Wood included one to the City of Philadelphia of \$20,000, which is bequeathed to the Girard Trust Company to hold in trust for the City for the purchase of pictures and statuary. I am informed that probably the highest proportion of this bequest that would be payable to the City would be 40 per cent., and that very likely none of it will be available, owing to the estate not being as large as supposed by Mrs. Wood.

Under these circumstances I think it highly desirable to rescind the ordinance of the City of Philadelphia of 29th of March, 1909, entitled “An Ordinance to accept the bequests to the City of Philadelphia contained in the last will

and testament of Meta Josephine Conor-Wood," and to decline the bequests.

I ask your prompt action upon this matter because the estate has been a long time in litigation, and the executors are anxious to proceed to a final determination of the matter.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

AN ORDINANCE

To repeal the ordinance entitled "An Ordinance to accept the bequests to the City of Philadelphia contained in the last will and testament of Meta Josephine Conor-Wood," approved the twenty-ninth day of March, 1909, and to decline to accept the said bequests.

WHEREAS, By the last will and testament of Meta Josephine Conor-Wood, who died in Philadelphia on October 13, 1908, certain paintings, bronzes, statuary and other articles of similar character were bequeathed to the City of Philadelphia to be kept together either in Memorial Hall or the Art Gallery, to be known as "The George and Meta Conor-Wood Collection," and the principal sum of \$20,000 for the purchase of paintings and statuary;

AND WHEREAS, Competent authority has declared that the collection of paintings as a whole is of inferior merit;

AND WHEREAS, The City may have to pay a large sum for collateral inheritance taxes and for attorney's fees according to an order of Court;

AND WHEREAS, It is doubtful if the City will receive the benefit of any part of the bequest of money in trust for the purchase of paintings, as the estate is of less value than supposed by the testatrix:

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinance entitled

"An Ordinance to accept the bequests to the City of Philadelphia contained in the last will and testament of Meta Josephine Conor-Wood," approved the twenty-ninth day of March, 1909, be, and it is hereby repealed, and all other ordinances or parts of ordinances inconsistent herewith be, and they are hereby repealed.

SECT. 2. That the City of Philadelphia declines the bequests of personal property under the last will and testament of Meta Josephine Conor-Wood, deceased.

Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to permit Williamson Brothers to construct a steel bridge over and across Moyer street, west of Adams street," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), Jos. R. C. McAllister, W. A. Miller, H. A. Mackey, George W. Zane, John Bethke, John W. Whitaker, Wm. H. Cross, Isaac D. Hetzel, John J. McKinley, Thomas J. Morton, H. J. Trainer, Edw. W. Patton (report), George D'Autrechy, Wm. J. Harrington.

AN ORDINANCE

To permit Williamson Bros. Company to construct a steel bridge over and across Moyer street, west of Adams street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to Williamson Bros. Company to con-

struct a steel bridge over and across Moyer street, at a point about fifteen feet nine inches west of Adams street, for the purpose of connecting their factory with their power house. The said bridge not to exceed nine feet in width and have a clearance of at least twenty-two feet two and one-quarter inches above the curb height, and shall be constructed under the supervision of the Department of Public Works, in accordance with plans to be approved by said Department. Before exercising any privilege under this ordinance, the said Williamson Bros. Company shall first enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the construction and maintenance of said bridge, and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance. The privilege hereby granted shall be revocable at any time and the bridge removed upon the passage of an ordinance to that effect.

AN ORDINANCE

To place on the City plan Beulah, Bambrey, Stillman, Mentor, Rollin, Cora, Seventh, Melvin, Scheel, Warnock, Hutchinson, Wishart, Plum, Clarence, Stouton, Frazier and Yewdall streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to place on the City plan Beulah street, of the width of forty feet, from Reed street southward to Beulah street from Dickinson street northward, as now on the City plan; Bambrey and Stillman streets, each of the width of forty feet, from Allegheny avenue to Clearfield street; Mentor street, of the width of fifty feet, from York road to Thirteenth street; Rollin street, of the width of forty feet, from Ogontz avenue to Limekiln turnpike; Cora street, of the width of forty feet, from Ogontz avenue to Twentieth street; Seventh street, of the width of fifty feet, from Lindley avenue to Scheel street; Melvin and Scheel streets, each of the width of forty feet, from Seventh to Eighth street; Warnock street, of the width of forty feet, from Loudon to Rockland street; Hutchinson street, of the width of fifty feet, from Rockland to Ruscomb street; Wishart street, of the width of forty feet, from Front to Howard street; Plum street, of the width of forty feet, from Richmond to Allen street; Clarence street, of the width of forty feet, from Jasper to Stouton street; Stou-

ton street, of the width of forty feet, from Clarence to Atlantic street; Frazier street, of the width of forty feet, from Kingessing avenue to Greenway avenue; Yewdall street, of the width of forty feet, from Chestnut to Ludlow street: *Provided*, That before said streets, excepting Beulah street, shall be placed on the City plan the owners of property within the lines thereof shall, within one year from the approval of this ordinance, dedicate the beds of the same to the City, on the lines and grades as confirmed by the Board of Surveyors, or shall indemnify the City against all damages or claims for damages which may arise from placing the said streets on the plan and their subsequent opening to the confirmed lines and grades: *Provided, however*, That before said Beulah street shall be placed on the City plan, satisfactory evidence shall be furnished that said street has been open and built upon for more than twenty-one years prior to May 3, 1909.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 271.

Philadelphia, May 18, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill to strike from the City plan Oakley street, from Comly to Vankirk street, respectfully report that Oakley street is not open and is within about sixty-eight feet of Rising Sun avenue at Vankirk street; north of Comly street it is laid out through the site of the Wentz Farm Reservoir. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), John P. Connelly, Henry F. Kennedy, Edwin S. Ward, George H. Kelley, James

H. McGurk, H. J. Trainer, Nicholas J. Schmucker, Henry R. Shoch, Albert De Prefontaine, Wm. Boal, Geo. W. Spielberger.

AN ORDINANCE

To strike from the City plan Oakley street, from Comly to Vankirk street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to strike from the City plan Oakley street, from Comly to Vankirk street: *Provided*, That the owners of property affected shall, within one year from the passage of this ordinance, file an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of striking said street from the City plan.

APPENDIX No. 272.

Philadelphia, May 18, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to strike from the City plan and vacate a portion of Schiller street, west of the Philadelphia and Reading Railway,” respectfully report that the said Schiller street is thirty feet in width and comes to a dead end at the railroad, and there is no probability that it would ever be necessary to carry the street east from its present terminus. The property on both sides of the street along the portion which is proposed to be stricken from the plan is in one ownership, and the public interests of the locality will not be affected by reason of the proposed vacation. We

therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), John P. Connelly, Henry F. Kennedy, Edwin S. Ward, George H. Kelley, James H. McGurk, H. J. Trainer, Nicholas J. Schmucker, Henry R. Shoch, Albert De Prefontaine, Wm. Boal, Geo. W. Spielberger.

AN ORDINANCE

To strike from the City plan and vacate a portion of Schiller street, west of the Philadelphia and Reading Railway.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to strike from the City plan and vacate that portion of Schiller street, in the Forty-third Ward, commencing on the west line of the right-of-way of the Richmond Branch of the Philadelphia and Reading Railway, and extending westwardly therefrom a distance of ninety-six feet four and three-quarter inches measured along the south side of the said Schiller street: *Provided*, That Frank C. Snedaker shall, within one year from the approval of this ordinance, enter into an agreement, satisfactory to the City Solicitor, releasing the City from all damages by reason of striking from the City plan and vacating said portion of Schiller street.

APPENDIX No. 273.

Philadelphia, May 18, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “Resolution of request to the Director of the Department of Public Works

to permit John Janke to lay a temporary terra cotta drain in the west side of Broad street, south of Nedro avenue," respectfully report that we have examined and approve the same, and submit for your consideration the annexed resolution and ask its passage.

George W. Zane (*Ch'n*), John P. Connelly, Henry F. Kennedy, Edwin S. Ward, George H. Kelley, James H. McGurk, H. J. Trainer, Nicholas J. Schmucker, Henry R. Shoch, Albert De Prefontaine, Wm. Boal, Geo. W. Spielberger.

RESOLUTION

Of request to the Director of the Department of Public Works to permit John Janke to lay a temporary terra cotta drain in west side of Broad street, south of Nedro avenue.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Works be requested to permit John Janke to lay a temporary terra cotta drain under the sidewalk on the west side of Broad street, from a point about twenty-six feet south of Nedro avenue southward about one hundred and ten feet; thence westward through private property, to connect with sewer in York road. The said drain to be laid under the supervision and to the satisfaction of the Department of Public Works (Bureau of Surveys) without expense to the City of Philadelphia, and shall not release the owners of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

APPENDIX No. 274.

OFFICE OF THE MAYOR.

Philadelphia, May 25, 1911.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I have the honor to transmit herewith to your Honorable Bodies a petition presented to me by the Kensington Board of Trade and citizens of Philadelphia of the District of Kensington, requesting that an appropriation be made for the opening and grading of Front street, from Nicetown lane to the Northeast Boulevard.

Of course, the importance of Front street has been emphasized from time to time, and you will realize that there is immediate and pressing need for its opening. It is the chief business street of a great locality, rich in manufactures and industries, and, accordingly, any obstruction or impediment in the way of its growth and development should be removed at as early a date as possible. To permit this street to remain closed, forcing those who use it to make long detours around the Municipal Hospital grounds, will necessarily retard business, and impose many hardships upon those doing business in this section. It is not often that one street occupies such a prominent place in relation to the business of a particular locality as this street does, and every effort should be made by the City authorities to better and improve conditions and to remove any existing obstruction to its proper use.

I also have the honor of forwarding to your Honorable Bodies a petition signed by the Kensington Board of Trade, requesting that the new and improved lights now used on Arch, Market, Chestnut and Walnut streets be installed on Front street, between Berks street and Lehigh avenue, and on Kensington avenue, from York street to Lehigh avenue.

There is no doubt that these lights will improve the condition of the streets, and in line with the effort which

is being made for the opening of Front street and its betterment along general lines, I know your Honorable Bodies will realize the force and wisdom of the request of the merchants that it be lighted in the best possible manner, and for that reason I urge legislation by your Honorable Bodies looking towards the accomplishment of both objects requested.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 275.

RESOLUTION

Of request to the Mayor, City Controller and heads of the various City and County Departments to furnish Councils a full, detailed statement of their requirements for the year 1912 on or before June 15th next.

Resolved, By the Select and Common Councils of the City of Philadelphia, That, in view of the fact appropriations for 1912 must be made on or before the first Monday in December, 1911, the Mayor, City Controller and other heads of the various City and County Departments are hereby requested to furnish Councils with a full, detailed statement of their requirements for the year 1912, on or before June 15th next.
